Nicole, our undie-loving centrefold

Meryl's right up your streep

My name's Pond, Thames Pond, agent 071 (if you're calling from outside central London). The day had started quietly enough when suddenly I was called to the top secret headquarters of the CIA (*Club International* Activities). I hailed a cab.

"The top secret headquarters of the CIA," I commanded.

"Righty ho, guv!"

"And step on it!"

"No, step on it yourself. I only just wiped the last lot off."

The traffic was moving relatively quickly by London standards, so I was there within days. I strolled up to the receptionist, Miss Runnyfanny.

"F in?"

"No, I'm just out of breath running up the stairs," she replied, "Oh I see what you mean, sorry, F's on holiday."

"F off?"

"There's no need to take that attitude, Mr Pond. P wants you, but there's a queue."

"I'll see Q instead then."

After several long hours of obvious initial jokes, Big P ushered me into his room.

"Ah, Pond, take a look at these." He showed me some pictures of the most beautiful breasts and bottoms I've ever seen. There were tight little loveholes that could squeeze every ounce of juice out of a guy, and lips that had obviously been doing the same. I was shaken and stirred.

Michaela's ready to go

On top was a girl called Ginny with her beautiful boobs bouncing free.

"I want you to get your hands on those," P demanded. "And don't come back until you have."

This could be a long, stiff task. And so I began searching for the most beautiful girls the West had to offer. Meryl, Roxanne, Michaela, Shelley – I signed them all up for CI Activities.

I even found Ginny working as a French maid in a small hotel (so small guests paid by the hour), and brought her back, satin uniform and all. Pausing only to get some women to confess their sexiest secrets for Talking Blue, and to have a go at the sport of snow-winding, I returned to base.

"Miss Runnyfanny, tell P I've got all those sexpots he wanted and a whole lot more just oozing to take part in some CI Activities."

Miss Runnyfanny smiled coldly.

"P's off."

So I did, and brought out the issue myself. Hope you like it. ♣

Which of you out there could forget our bubbly brunette antique restorer from Vol 19 No 9, Emma. Certainly not Big Norm, her greatest fan who said that he'd "really like to get into her drawers, even if they are antique ones". Dear Sarah,

When I saw you in Vol 19 No 7, you reminded me of the singer Alannah Myles - but your body is certainly a whole lot better!

I'd love to kneel in front of you and unclip your bra, sucking and kissing your titties before slipping your panties down, parting your legs and pulling your fanny to my face to slowly lick it.

As I write this note I'm holding my stiff cock in my hand, and you can guess what I did when I saw your photoset for the first time. Does it make you horny, knowing that whenever you appear you turn thousands of men on? - *David, Waltham Cross*

Yes, of course it does, David. Any girl would be pleased and turned on to think of thousands of guys getting excited when she showed off

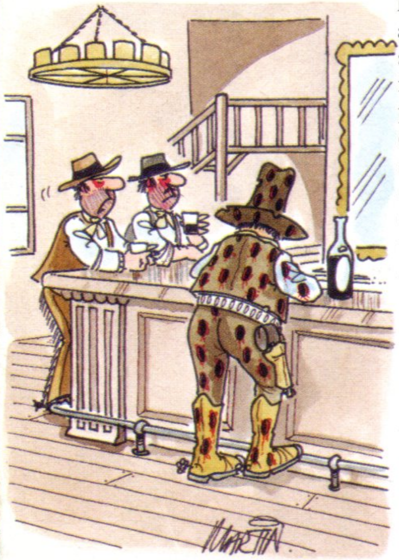
Tight Squeeze Please

My lover Sue and I really enjoy giving each other a good licking and frigging while we fantasize about the gorgeous ladies you feature in Club every month. So this is a plea from the heart.

We especially love seeing women in tight skirts which cling to their hips and pretty little bums, and tight dresses which make for really good cleavage shots of pairs of boobs squeezed together and heaved upwards. And we don't get enough!

Obviously we love to see a nice, hot puss and naked tits - like Ginny's for example - but it'd be twice as nice of we could see a girl like her wearing a clingy mini-skirt or a tight, revealing dress as well! - *Debbie, Tyne & Wear*



"Slowest gun in the West!"

Early To Rise

Recently I met a girl called Helen on a night out in town. I had been looking at her across the pub all evening but by the time I had got the courage up to speak to her I had had one too many drinks. We got on really well straight away and she invited me back to her flat.

Once we were back at her place we began kissing and fondling on the sofa and Helen was soon down to her knickers and bra and keen to go further. I was very keen too - but my dick had other ideas, and no matter how much she sucked me and stroked my balls, the beer had got the better of me. But this wasn't going to stop Helen from enjoying herself and she treated me to a sexy show as she dipped her fingers into her sopping pussy and rubbed her stiff clitty. After what seemed ages Helen began to climax and I could actually see the drips of her creamy come trickling from her pussy lips onto her fingers.

I lost track of time after that as we must have fallen asleep on the sofa. The next thing I knew was a warm wet feeling on my dick. I was still half asleep and didn't open my eyes. The sensations on my knob got nicer and nicer and I got harder and harder. Something soft was running up and down my length from my balls to the tip of my glans. It was a gorgeous feeling as it gradually dawned on me that Helen was waking me up with a fabulous blow job. I opened my eyes at last and saw her crouching naked between my legs, her head bobbing on my prick. This was too much for me and I suddenly shot my load of spunk straight into Helen's mouth.

Helen then tossed her long dark hair back and looked at me saying,

"Good morning, darling," she giggled, creamy come dripping from her lips. "I thought it was about time you got up!" And I'll tell you this, hangover or no hangover, I got up at least three times that day without ever getting off the sofa! - *Richard, Leigh*

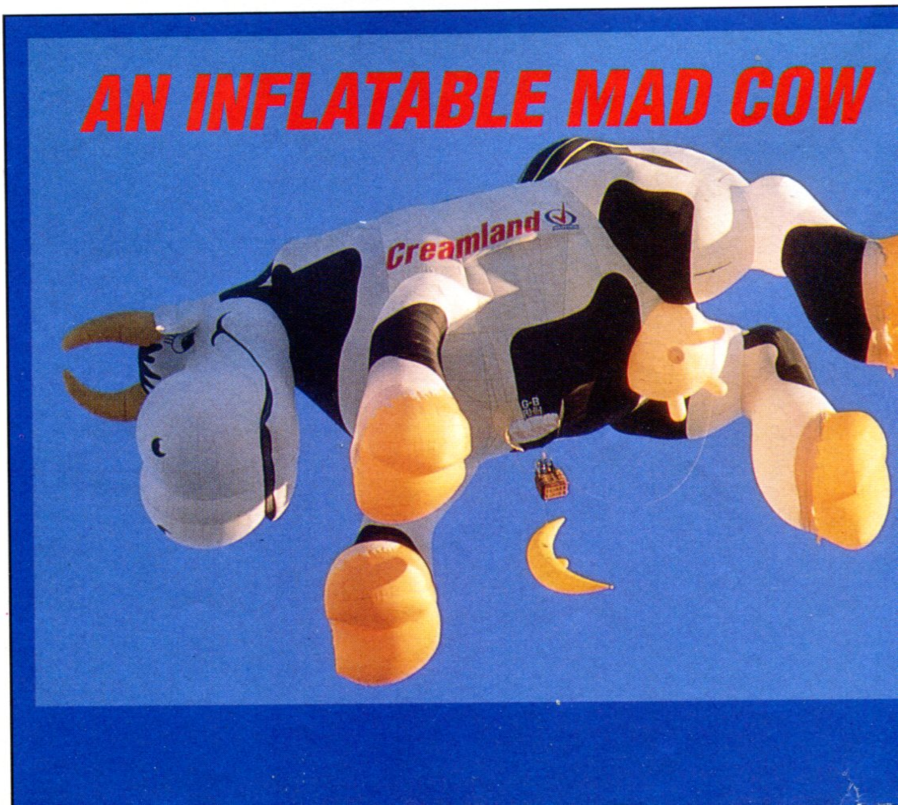
Away Day Lay

My wife and I have always had a fantasy about her being fucked by another man while I watch. Up to now we'd never been able to bring this fantasy to life, but just recently we were finally able to act it out.

My wife works for a large firm and quite often has to go away on job training courses. Her last course involved her staying at a hotel for four days, and so I decided to go with her. As nobody would know anyone else, we booked a double room in our name, and on arrival we checked it out.

It was ideal. The bed was directly opposite a huge, fitted wardrobe where I'd be able to hide and watch any action that my wife got into. We couldn't wait for my wife to meet all the other people on her course, as she had promised to let herself be screwed by one of them.

AN INFLATABLE MAD COW



her naked body to them. I love thinking of you playing with that fat pecker as you wrote that letter to me; I certainly had my fingers in my panties reading it. And by the way, I'm a big Alannah Myles fan myself, and I get very randy when I watch her gyrating around on the TV in all those tight leather outfits she wears. I'd like to think I'm that sexy too! - Sarah ♣

That evening the course members were to meet at dinner, so I booked myself a separate table away from them, and sat there to watch. My wife was certainly dressed to kill in a red bra with matching silk panties, red suspender belt and black, lace-topped stockings, over

Regular readers will remember Mabelle, the Club cow who pioneered Europe's trendiest brain disease BSE. Although she died recently from shagging cats, her long and often tragic story does now have a happy ending.

Shortly before she croaked, mad Mabelle consumed a vast meal of sileage: the resulting wind caused our bovine time bomb to swell to 300 feet tall, and change colour from her normal blue to an attractive Fresian design. Now our inflated mad cow floats serenely over the English countryside, a source of innocent pleasure for thousands. Three cheers for Mabelle!

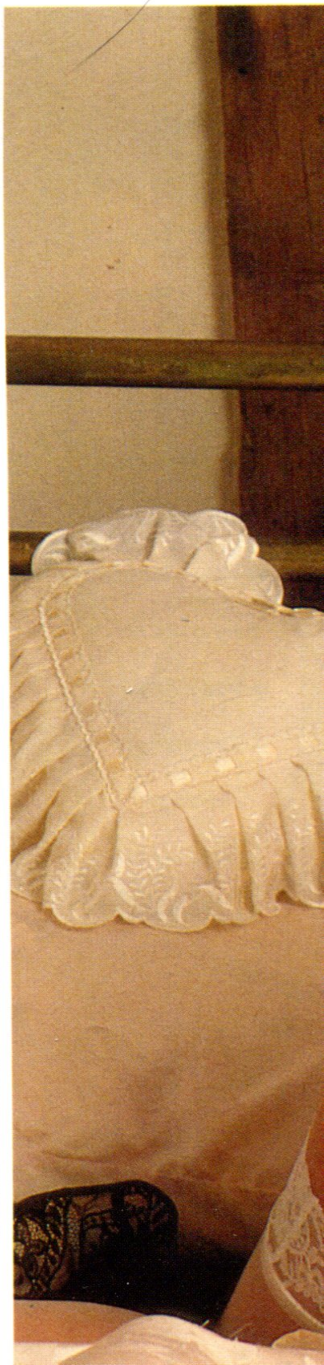
Jane, the 21-year-old from Wiltshire, has a problem in bed - she finds it hard to get out! The daughter of an antique dealer, she has just bought a beautiful brass bedstead, and now refuses to leave it. "I have most of my meals in it, and invite friends to join me in it," she says. Just join her? "Well, one or two have tested the springs a little." Something of an understatement: Jane has just spent a weekend with one guy in which neither of them

touched the floor for 48 hours! Jane's men also share many characteristics with her favourite furniture - stylish, robust and well upholstered.

"I like a guy who'll last, not crack up after every tiny bonk," she claims. "I do have high standards. He has to be pretty enthusiastic – and athletic – if he's going to satisfy me!" ♣



GOBBLE!

With his sleek exterior and throbbing engine underneath, ***Nathaniel Fatbastard*** *was certain to score a big hit at the motor show. Quite where he was scoring, he omitted to tell us.*

Nothing impresses women more than something red and throbbing driving up to them at speed. That's why, as well as my trusty everyday motor, I've always kept a small but sleek soft-top tucked away for special occasions.

I don't touch it very often but when I do get it out, it always attracts the women. They just can't resist running their hands over its long smooth lines. For fellow motoring enthusiasts, let me say that it's a four stroke two-litre, enough to satisfy most people, and after a successful bore, I can usually get a few extra cc out of it.

Now I know what you're thinking - why is a recognised expert *bon viveur* and restaurant reviewer suddenly talking about cars? Well, the halcyon days of motoring came flooding back to me after my invitation to the press day of the International Glossy Car Show at the National Exhibition Warehouse, just up the A34 from the middle of fucking nowhere. You see, I hark back to the Golden Age of Motoring - the 70s - when cars really were cars, with *real* vinyl rooves and genuine wood veneer stripes down the side. Great names abounded, like the Allegro, Marina, Hillman Hunter GT, Triumph Dolomite Sprint and Mini Clubman Traveller.

And I'm not alone. A fellow gourmet, Tolly Stirling of *The Chequered Past Hotel,* halfway between Druids and the Esses at Silverhatch race course, loves them too. As well as collecting and displaying in glass cases such pieces of motor racing history as the programme from the one Grand Prix James Cunt completed, and Nicky Lauda's ears, he is currently restoring a genuine 1977 Morris Ital - a tricky job as much of it had rusted away, after having been on the road for nearly a year. It was he who suggested the trip to the Midlands for the Show.

We drove up in Tolly's pride and joy, a 1972 Mark 3 Cortina 1300 complete with furry seats, a rear window completely obliterated by triangular seaside resort stickers and a *Starsky and Hutch* stripe along the sides and over the roof. Both being lovers of good food, we decided to stop in Stratford-on-Avon for lunch.

Everything in Stratford is connected with Shakespeare - bard food, bard pubs, and bard cafes. With a blast on his 'Colonel Bogey' air horn, we pulled in at *Ye Olde Hathaway Armes,* (2, Gentlemen of Verona Street, Stratford). Even there the menu had a distinct Shakespearian ring. We turned down the King Lear-sized Big Macbeth burgers (£1.75), and plumped instead for Merry Wives of Brown Windsor Soup (£1.50), followed by Cheese Hamlette and chips (£2.50). Then, after an interval of 15 minutes, we went on to Act Three, *Ye Dessertes.* Tolly opted for the Touchstone Raspberry Fool served as you like it (£2.50), whilst I chose the Bottom Surprise - jelly, custard and ice cream with Midsummer Night's Dream Topping. It was aptly named - after a sitting ovation in the kharsi, we set off again for the N.E.W.

It wasn't long before we were inside admiring the glistening model work of the latest models. I recognised Maria Titacre at once, closely followed by Karen Breadbum and Linda Loosebodi. I was also impressed by the sumptuous upholstery of Natalie Bonkus whose 44Ds were totally obliterating a pair of Fiats. I was leaning on a Siesta XR7i GTE F-off Cabriolet admiring Natalie's twincarbs when a decidedly non-macho voice whispered in my ear.

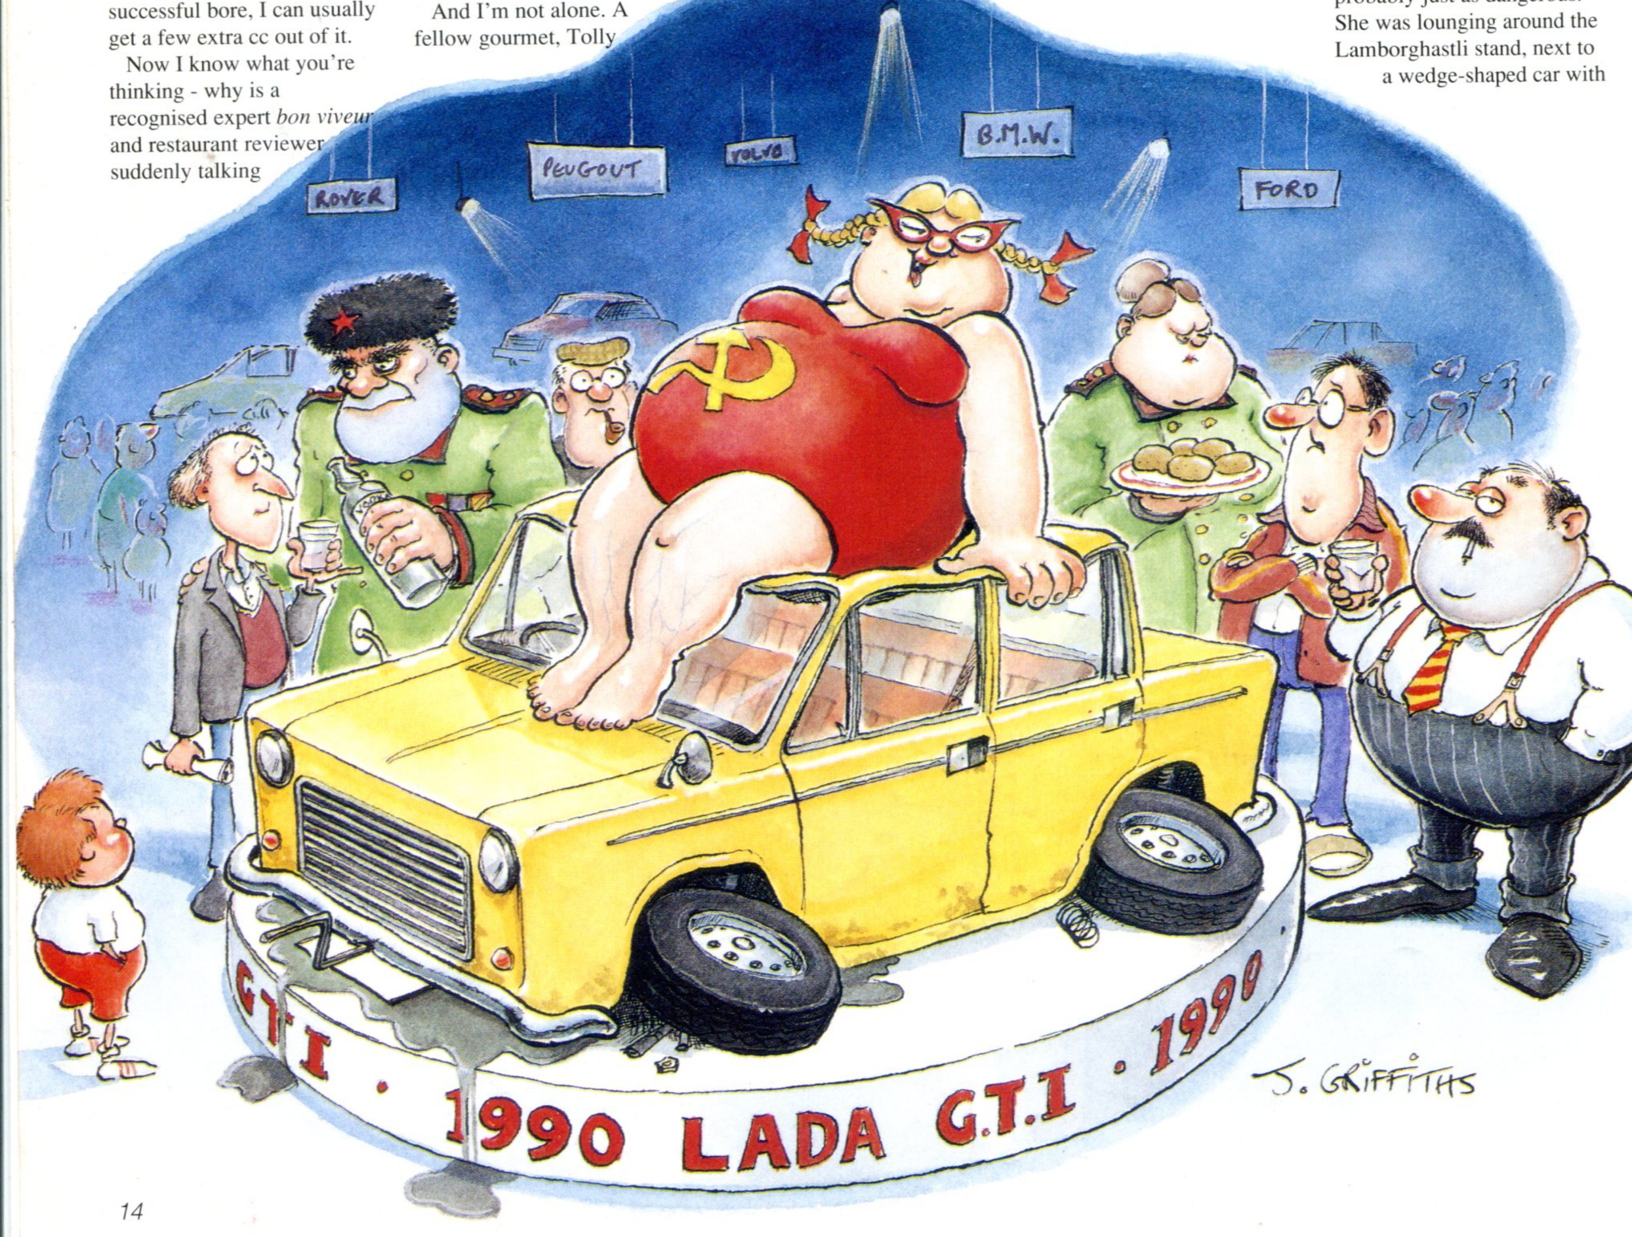
"Excuse me, sir, would you be looking for a Hot Hatch?" he simpered.

I swung around to find an elderly poof dressed in a pale blue suit.

"You'll find there's plenty of room at the back," he continued. "There's no problem when getting things in and out."

"Fuck off!" I quipped.

Meanwhile, Tolly was chatting up a girl with bigger curves than Brooklands and probably just as dangerous. She was lounging around the Lamborghastli stand, next to a wedge-shaped car with



TOP TITS

Good morning, class. I would like you to take as your subject for today, Great Tits in History. Ever since woman evolved on this planet, big wobbly whammers have played an important role in shaping our destiny. Was it not the great philosopher and historian Jean Paul Sartre who said, "Phwooarrr, fuck me, look at the nawks on that!"? *(No, actually it was Nietsche - Ed.)*

The first famous funbags belonged to Eve. Her bare Bristols are said to be partly responsible for all the temptation in the world, which must be quite a weight on her chest. Cleopatra's twin pyramids led to the downfall of Ancient Egypt. By clasping an asp to her beautiful bosom, she killed herself and they couldn't bend the snake for a week.

Then come the 12 Whammers of Henry VIII. Big Hen's love of enormous knockers led to him marrying six times, including the buxom Jane See-more and Anne of Cleavage. Another, Anne Boleyn, was beheaded when the King discovered her bodice was padded, and she was really a mere 32AA. He died, vastly overweight, trying to grow a pair of his own.

Then followed a period of chest repression. The Virgin Queen Elizabeth (33B) reigned in place of Mary Queen of Tits (44DD). This lasted until Victoria came to the throne. Although only five feet tall, her phenomenal 60 glorious inches were so well loved by the public that many people still keep her bust in their drawing rooms. Not until the 1990s would we see her like again.

Now, in Russia, we have glasnost and pair-of-strikers, and it's glands across the sea. It's East meets West, Left gets together with Right - two globes stand united. Just like the momentous mammaries here. The future looks rosy. - *George Breast* ♣

more spoilers than a Sun 'exclusive'. They were drinking champagne - a Bollockinger 69 (£25.99 a magnum), so naturally I joined them for a couple of pints. I followed this with most of a large jug of Bumms No1 containing ice and most of a corner greengrocers at the Shitreon exhibit, several large gin and tonics with the crowd from Masserbati and a luke warm plastic cup of tea with Austin-Rover.

Next I waddled my way to the obligatory concept car, dreamt up by some Italian who, judging by its shape, had been eating cheese and smoking certain tobacco substitutes all evening. Run by solar-power, in Britain this would be as useful as a soluble raincoat. However, the tempestuous raven-haired Gina Lorratitsonna lookalike lounging over it made me come up with a few concepts of my own, so I was there for some time.

Then I made my way to the Bitsosushi tent where they were showing off their four-wheel-drive, four-wheel-steer, Bitsosushi Fourplay all-terrain off-road vehicle. There I shared a bottle of saki with the customers who had placed advance orders for the Fourplay. They all lived in the flattest, most nicely tarmaced bits of Surrey. Finally after a quick look at Britain's only new exhibit, yet another relaunch of the Mini, over a small glass of Dandelion and Burdock, I felt I'd had my fill of gleaming new motors and headed towards the bar.

There I quaffed six pints of Tennants Eviction lager (£2.50) with a couple of large brandies as chasers (£3 each). Unfortunately I also had a small packet of peanuts, and it was these, I'm sure, that made me feel a bit queasy as I re-entered the arena. I felt the Shakespearian meal coming out for an encore, so I made a dash for the door. Fortunately, for once, I managed to relocate my stomach's contents into a bright blue plastic bucket without splashing a drop. How was I to know it was the new Reliant Robin? ♣

PLUG!

Remember Pinky and Perky, the world's most irritating puppets? With their squeaky renditions of songs of the 60s, these porcine purveyors of pop had even the most ardent Jewish veggie crying out for them to be made into bacon butties.

Now, you thought they had been sent to the great ham factory in the sky when both BBC and ITV gave them the chop. But no! One of the rasher video companies, Channel Five, has saved their bacon and trottered out a sizzling hour-long reprise of the best of their TV shows for just £9.99.

The media man with red glasses says, "These are more than just wooden imitations of mammals and amphibia; these are subtle parodies of 60s artists and their music."

We think he's talking out of his arse, but *Pinky And Perky* is a bloody good laugh and has some great old songs in it. It's only the curly-tailed twins themselves with their high-speed voices and V-shaped trotters (funny how they were always floating at least an inch above the ground) that get on our tits. We eagerly await the follow-up *Pinky And Perky Get Porky* (Ham Fisted Videos £79.99). Crackling! ♣

TAPED!

The question on everyone's lips at the Club HQ this month is: what comes to the office with purple hair and matching mini-skirt, boob tube top and clutch purse? Is it **Allan Bryce** *or Frankenhooker? Is there any difference?*

Historically speaking, this year is bound to go down as one of the biggies. So far we've had the fall of Communism, Nelson Mandela let out on a technicality (he was innocent), England staying in the World Cup long enough to work up a sweat, and another triumphant series of *Bullseye* - in fact, I shouldn't be surprised if Jim Bowen's name turns up alongside Tarby's in the Honours List. If only they'd stick Jeremy Beadle in Nelson's old cell then my happiness would complete.

What I'm driving at that we should all be aware of the historic events that are going on around us - which is why I'd like to start this month's raunchy video round-up by bringing to your attention a new movie called **Frankenhooker.**

Scholars of English literature will already know that the basic concept for this masterpiece was dreamed up back in the days when everyone wrote with feathers and wore worse wigs than Bruce Forsyth. It seems that Mary Shelley was so pissed off with her poet husband Percy spending all his time down the pub with his mate Lord Byron, that she sat down and wrote a cracking story about a monster named Frankenstein. There would have been a 'Son of Frankenstein' as well, but the monster couldn't have any children because he had his nuts in his neck.

The legend goes that upon reading Mary's story, Lord Byron said something like, "Strap me! This'd make a bloody good video one day." But Mary lost out. She was dead and buried before films were invented, let alone vids. This was handy for the makers of *Frankenhooker,* who therefore didn't have to pay her a penny for the screen rights.

This remarkable motion picture takes a classic of Gothic literature - and chucks it out the window. It tells the tender story of an innocent young girl (Patty Mullen) who falls beneath the blades of a lawn mower and is chopped into pieces. Luckily her boyfriend, Dr Jeffrey Franken (James Lorinz), is on hand to collect up her head and pop it into a fishtank. Seeking ideas as to how to find the necessary body parts to reassemble his lost love, the barmy boffin shoves an electric drill behind his ear to stimulate the old grey matter

SON OF BAD JOKE

What's the difference between one of Bob Hope's jokes and one of Club's? Bob Hope gets his off idiot boards, and we get ours off bored idiots. This month's hilarity comes from Martin of Southend. He believes that he's the bee's knees when it comes to humour. Entymologists tend to suggest that other parts of the insect's anatomy would be more appropriate.

Did you hear about the constipated mathematician?

He went to the toilet and worked it out with a pencil.

A Fairy Story *(Oh yeah? - Ed.)*

A flat chested girl was depressed at never being admired by blokes, when suddenly her Fairy Godmother appeared.

"What's the problem?" asked the old Fairy.

"It's my tits," the girl wailed. "I wish they'd grow larger."

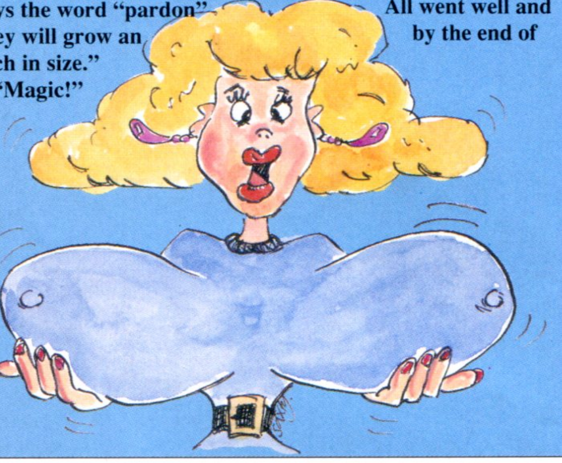
"And so they will..." announced the Fairy Godmother, waving her wand. "Every time anyone says the word "pardon" they will grow an inch in size."

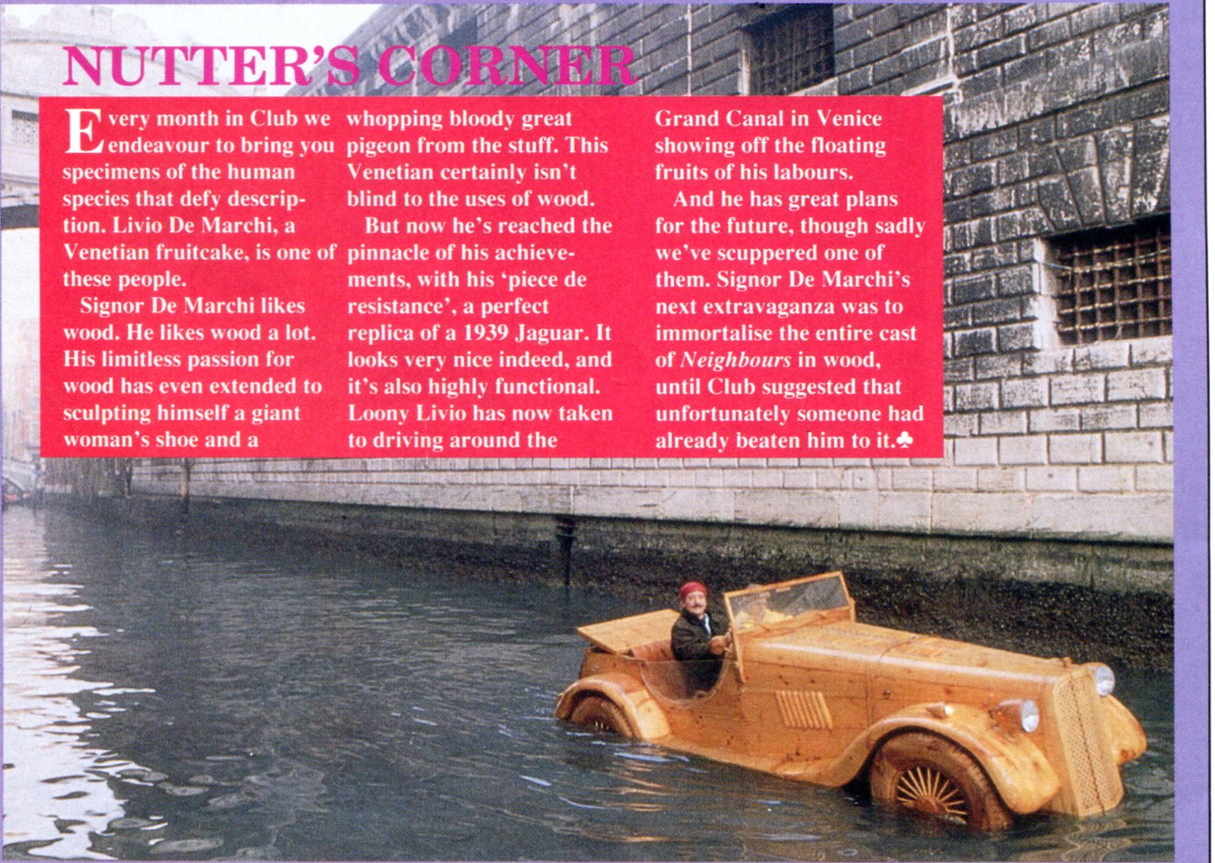
"Magic!" said the young girl, and when the old lady disappeared, started walking down the High Street deliberately bumping into people.

"Oh, I beg your pardon!" said the first, and the girl felt a sudden swelling in her chest.

"Whoops, pardon me!" said another, and again the girl felt her T-shirt tighten.

All went well and by the end of





NUTTER'S CORNER

Every month in Club we endeavour to bring you specimens of the human species that defy description. Livio De Marchi, a Venetian fruitcake, is one of these people.

Signor De Marchi likes wood. He likes wood a lot. His limitless passion for wood has even extended to sculpting himself a giant woman's shoe and a whopping bloody great pigeon from the stuff. This Venetian certainly isn't blind to the uses of wood.

But now he's reached the pinnacle of his achievements, with his 'piece de resistance', a perfect replica of a 1939 Jaguar. It looks very nice indeed, and it's also highly functional. Loony Livio has now taken to driving around the Grand Canal in Venice showing off the floating fruits of his labours.

And he has great plans for the future, though sadly we've scuppered one of them. Signor De Marchi's next extravaganza was to immortalise the entire cast of *Neighbours* in wood, until Club suggested that unfortunately someone had already beaten him to it.♣

the afternoon, she had acquired a very nice pair of 36Ds which stretched the cotton of her top to the utmost. Proudly she walked home, carefully avoiding contact with anyone. Then out of the corner of her eye, she spotted a small Japanese guy - but too late. He ploughed straight into her, knocking her to the ground.

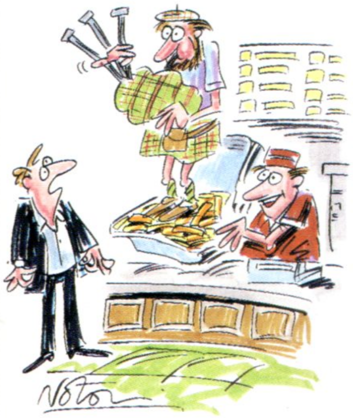
"I'm sorry, I'm sorry," he said.

"That's all right," she replied brusquely.

"No, no," he continued, wiping her down. "A thousand pardons."

The headlines next morning read: JAPANESE WIPED OUT BY TWO TORPEDOES.

Thank you, Martin, you win a Club T-shirt that will make you the envy of your enemies and a laughing stock with your friends. ♣



"Your Big Mac and fries sir"

and has an instant brainstorm: he will nip down to 42nd Street and select the choicest appendages from a dozen or 80 prostitutes.

Oh, I forgot to mention that Jeff has also developed a deadly new superdrug which causes those who puff on it to explode. So it's not long before Jeffrey is collecting up the libidinous ladies' various bits and pieces. Selecting the choicest breasts and the shapeliest bum etc, our hero welds them all together and pops his dead girlfriend's head on top. A fortuitous electrical storm kick-starts her to life.

But the re-animated Elizabeth is now Frankenhooker, a creature with purple hair and matching mini-skirt, tube top and

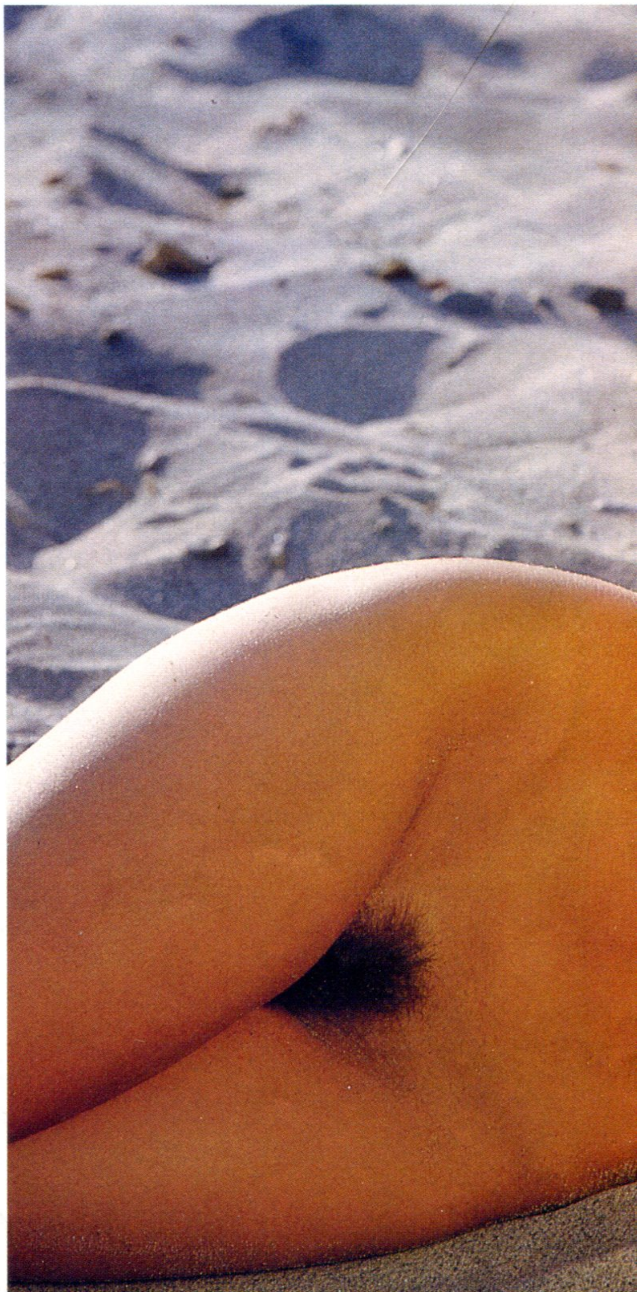
Shelley

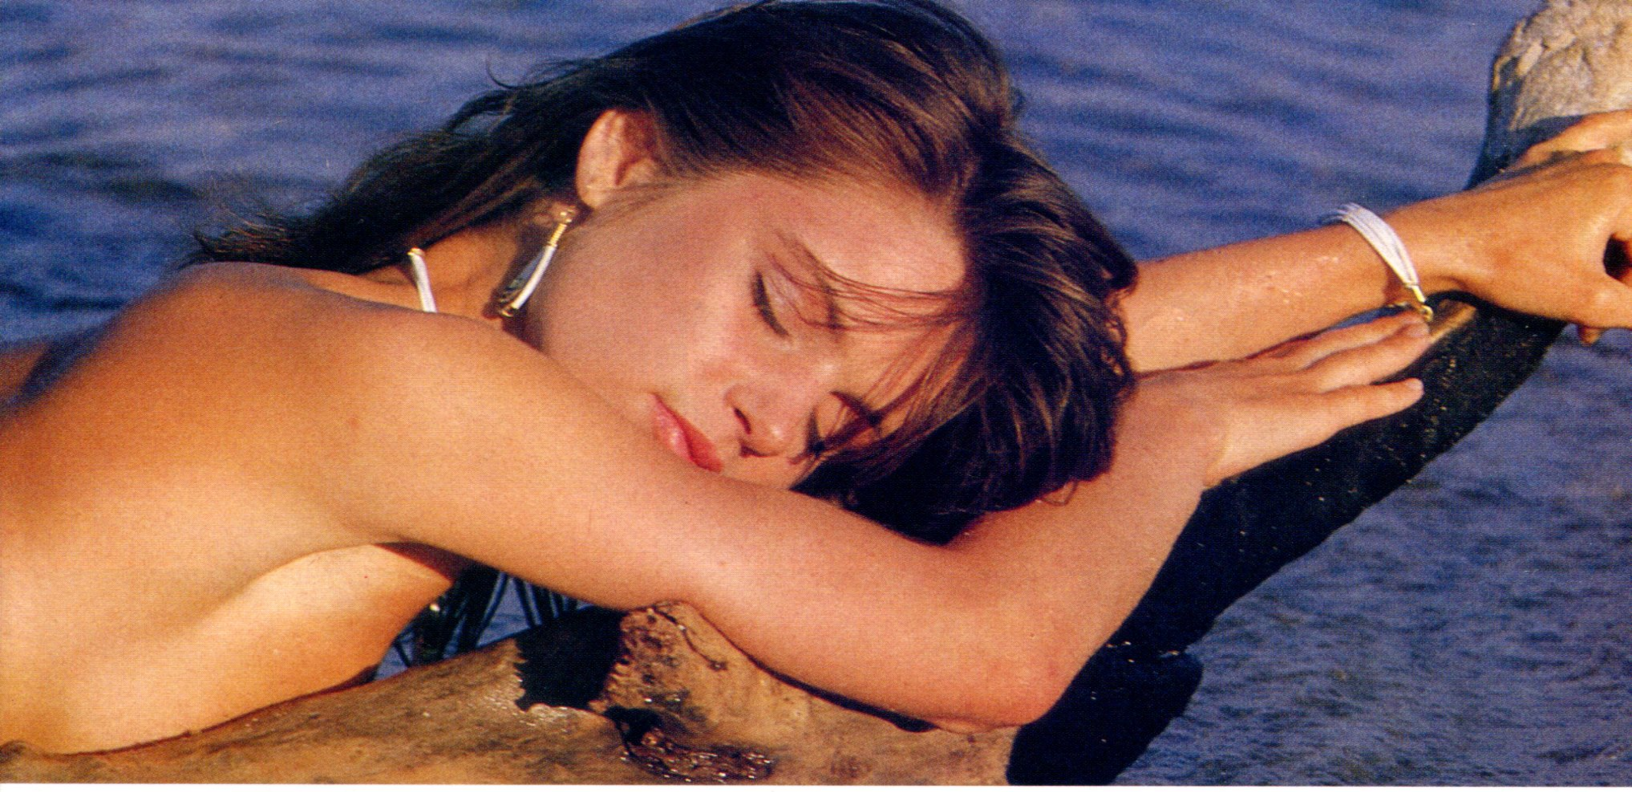
This is 18 year- old Shelley's first ever modelling session, and the Ed was so bowled over by her gorgeous good looks, he whisked her off to a secluded beach to whip 'em off for Club!

"Sun, sea, sand and...me!" Shelley laughed, "what more could a fella ask for?

"The sea air really made me feel good, so pretty soon I was throwing off my inhibitions-not to mention my bikini as well!"



So Shelley, we asked, did you enjoy your first Club shoot? "Of course, I just hope I made waves with all the Club readers!" ♣



over the top

Want to get one up on your pretentious friends who are always talking about skiing down the Alps and windsurfing on the Med? Well, how about going windsurfing on the Alps?

It's the latest idea from France *(Surprise, sur-bloody-prise - Ed)*, and in particular of one Eric "Moudge" Durand.

Old Moudgy, (our international department tell us it's French for Bazza) hit on the idea of windsurfing down mountains after working for eight years as a surfing coach for Club Med. Fed up with falling in the water, he decided that the combination of snow and a slope might be dryer and more exciting. After four years, he had perfected the art and given it a silly name. Now snow-winding looks set to be as big an international success as American dwarf throwing.

This particular demonstration of snow-winding took place on the 3500 metre slopes of the Vanoise National Park near the ski resort of Tignes. Durand - described as a tall, athletic, blue-eyed blond model-type, which is as good a reason to hate the bastard as any - took to his red and yellow mylar board and roared down the powdery snow-laden slope. The crowd could only stand and watch in awe as he sped by - mainly because so far he is the only one to have learned the sport.

This isn't surprising. To break into snow-winding, you must have a short Super G board (like this one, curiously called a 'Look Bert Lamar') with a sail surface area no bigger than four square metres. The mast base must be screwed on to the board no more than 20 cms ahead of the forward foot, and the whole thing foldable in two to get it up ski-lifts. Even assuming you understand that, and your board complies, you can only use it if the breeze is under a mild four knots. Otherwise even somebody well used to snow-winding will be blown off their feet.

But it has to be said that 29-year-old Durand's new sport invention looks spectacular and decidedly dangerous with its combination of leaps, swerves and tricky manoeuvres. Let's hope he doesn't spoil his model-like good looks, eh readers?♣

Hi there fellas! It's good to have you all back again for another of your favourite fantasies. Now I know by the letters that I get that a lot of you business-types stay in hotels - and you read Club while you're there. That's why this month I'm dressed up as a hotel maid!

My favourite letter on this subject was from Pete of Leicester, who's certainly got the right idea when it comes to turning me on! In fact, I thought it was so horny I'd ask the Ed to print it word for word. Take it away, Pete!

I'm down in London on business staying at a swanky hotel in the West End, and it's nine o'clock in the morning. I'm just coming out of the shower and there's a knock at the door, and guess who comes in dressed as a maid?

"Your newspapers Sir!" you say and you walk without even blushing at the

sight of me wearing nothing but a smile! You hand me my morning papers, and tucked inside one of them is the new copy of Club. It's the one from September - with you on the cover dressed as a nurse, Ginny!

You pick up the magazine and start to thumb through it until you come to the set of yourself dressed as a nurse and then you hand it to me, and I ask me if I like it! I nod my approval and by this time the bulge under my towel is growing - and you are quick to see this. You go over to the bed and lie flat down and begin to peel off your skirt to reveal that you're wearing no knickers, but just lovely black fishnet stockings. By this time I'm sitting down on a chair in awe at the sight of you! Then you peel off your top and you're there in front of me, showing me those lovely tits of yours, and teasing me with that beautiful smile...aaah. Ginny, you were maid in heaven!

Hell, a fella can dream can't he?

He certainly can, Pete - though I was a bit surprised you stopped when you did! While I was posing for these photos all sorts of dirty thoughts were running through my mind: like what might you do when you saw me fingering my wet little pussy through my knickers, and what we might get up to with that duster of mine...

Keep on writing, boys, 'cos I love every horny word. See you all next month! ♣

letters to Ginny

Dear Ginny,

Fond of music? Ever heard of the all girl rock band Vixen? I reckon they're the horniest girls ever to hit the music scene, so here is my request.

I'd love to see you dressed up in tight leathers, like the singer of Vixen, posing with a Flying V guitar. We all know that the guitar is considered a phallic symbol, so I bet you can use your imagination from there. You're perfect for the part.

So what about it - will you be my rock 'n' roll lady? - *YM, Coventry*

I must say that I've never heard of Vixen, because Heavy Metal isn't really my scene - I prefer stuff like Deacon Blue! Are they the sort of girls who wear lots of see-through lace blouses and leather shorts with spike heeled boots? If so, then I'd be quite happy to do that one - especially if I can play around with one of those expensive guitars. I can just imagine rubbing my hands up and down that neck...

Dear Ginny,

I've been dreaming for years about seeing my ultimate fantasy in the pages of a men's magazine, and when I opened Club to be greeted by the sight of you as the new Club Girl, I was overcome.

Having seen all the wonderfully horny photosets you've done for Club, I can tell that you enjoy wearing beautiful clothes, lingerie that makes you feel and look unbelievably sexy. I love to see women wearing something that they clearly feel horny in, and my own fantasy about you involves you dressing in what I know would make you feel sensational.

I can just picture you in a long, white fur coat, stockings, silk French knickers and sexy white lace gloves, spreading yourself across silk sheets, masturbating and screaming with delight as your pussy leaks love juices.

I'd love to fuck you in every position possible then, particularly with you riding my cock, taking me out just as I'm about to come and telling my to shoot my hot load of spunk all over your tits. After that, it's my turn to make any fantasy of yours come true - and I've no doubt it's as randy as hell! - *Steve, Birmingham*

The image you created made me feel really horny, Steve, and while I was reading your letter I had my fingers working their naughty way inside my panties to find my little clitty and frig it. All too soon I felt those first delicious waves of orgasm. I wish I could have carried on dreaming of writhing on those silk sheets, but unfortunately I had an enormous mountain of mail which had to be sorted out.

I will say one thing though - I'd only do this photo shoot if the coat was made of fake *fur!*

Dear Ginny,

You probably haven't heard of me, but my name is Tracey, and a couple of years ago I had several letters printed in Club, which became somewhat infamous. I wrote originally as a frustrated virgin who came across a copy of Club at a friend's flat and wanked herself senseless as I dreamed of men all over the country lusting after me like

they do after the Club models.

Then men started writing to me via *In The Bag,* saying what they'd like to do to me. You must know how I felt; they must do it to you too. I soon lost all my inhibitions (and my virginity!), and organized a mass wank-off through Club, that brought the country to a standstill by all accounts. It was so horny thinking of all those people wanking in time with me.

Although I think my 34-22-34 body is pretty good, I've always felt that I had to be very dirty with blokes to attract them - but that suited me as I'm pretty dirty at heart and love it! Still, I always thought that I didn't have the looks to be a nude model or actress, which was my secret ambition. I did make a couple of films for a local guy though, just two straight wanking ones, before hooking up with a businessman called Paul, whose needs I fulfilled very satisfactorily. With him, I've spent the last couple of years in Europe, where I made several more films, this time very juicy orgy ones shot by Paul my businessman friend, and my stamina really made me a favourite on the party scene over there!

By this time, I was heavily into girls too,a and enjoyed a long lesbian relationship with a girl called Tara. However, when that ended I decided to come back home and look up a few old boyfriends - but I really missed a woman's touch.

That was when I bought my first Club in two years and saw your photos. You wanted to hear people's fantasies about you, and here's mine.

I imagine walking into my room to find you lying on my bed. You invite me to join you. I'm playing with myself now, Ginny, imagining sucking your gorgeous nipples while gently rubbing your pussy lips apart with my thigh. This gets you really wet, so I move down between your firm thighs, push them as wide open as they'll go and give you the licking of your life.

Soon you're thrashing about on the bed as orgasm after orgasm shoots through your body. I suck on your clitty as I ram three fingers into your dripping pussy, squeezing your tits with my other hand. I lick, kiss and caress every inch of your perfect body before kneeling over your pretty face and dripping my pussy juice all over it. Have you ever tasted a girl before, Ginny?

Kneeling like that, I'd ride your tongue and mouth like I'm pretending to do now with my vibrator, pulling your nipples hard as I come. If you don't know how to lick a girl out, Ginny, I'd soon show you how!

My long legs are open now, and my pussy is dripping wet, just waiting for you to push your big boobs up into it before you lick me dry. - *Tracey, Lincoln*

Since I've only been working for Club for the last couple of months, I hadn't read any of your previous letters, so I asked the Ed to tell me something about you. He certainly remembered the mass wank-off very well indeed!

And I was fascinated to hear about you having made some adult movies. Do you know if any of them were ever released by a film company? I'd love to see you in action - and maybe get in on a couple of scenes myself too...♣

clutch purse. Decking Jeffrey with a tasty right-hander, she stomps off into the night on her platform heels, pulling strange faces and asking every passing male, "Wanna go on a date? Got any money?"

The brainchild of seriously disturbed New Jersey filmmaker Frank *(Basket Case)* Henenlotter, Frankenhooker is hilariously over the top, an instant sleaze classic full of horny chicks and grotesque gore. And the 'exploding hookers' sequence is unforgettable!

Moving right along we come to **Beach Balls,** which is one of those 'zany' teen comedies where the big yucks come from fart jokes and seeing girls with very large breasts lose their bikinis. The problems start when the makers attempt to add a story, this time about a lad named Danny who wants to get his end away with vapid Valley girl Wendy, but never gets the chance.

SEX APPEAL

Our hero's folks are going away on holiday for two weeks, giving him the perfect chance to throw a wild party at their beach house and invite his girl along. But guess what? Yes, his parents return 'unexpectedly' - to find the place stuffed to the ceiling with topless blondes! And what's worse is his dad's boss is coming to lunch!!

I suppose the best way to describe this would be to say it's like a less sophisticated episode of *Terry and June* with lots of tits in it.

In a similarly inventive vein comes **Sex Appeal,** the story of a shy young chap named Tony Canneloni - you'd have to be shy with a name like that. Poor Tony is a bit of a merchant banker; in fact, he has callouses on his palms and is developing double vision. Then one day he happens upon a book entitled *Sex Appeal, And How To Get It.* Following the instructions contained therein he changes his apartment, his hairstyle, and most importantly, his underpants.

Renting a bachelor pad, he starts bringing hot women home to look at his etchings, but his attempts to get his rocks off are disastrous thanks to the interference of his nymphomaniac sister and cheating dad. There are lots of really hot and heaving women in this one, including the very cute Veronica Hart. It's a shame that on an entertainment level it's about as funny as a turbo-enema...

FOCUS ON ERIK

The 297th in our series of penetrating profiles of the Editor's pets.

Come with us, gentle reader, and wander across the vast rolling plains and endless swamps of the Club HQ roof garden. (We left the sprinkler on.) Here we find many of the Editor's 3,978,290 pets, including immense herds of wildebeest who enjoy 1950s Tex Avery cartoons, and a rare Liberian caterpillar with ambitions to star alongside Olivia Newton-John in a musical he wrote himself, titled *Pupa!*

Here we find Erik the Elk, 18, a cheerful wanderer through this grand scenery. "I like to keep my pecker up," smiles Erik, "and I often hum a cheery tune to myself as I go - *The Sun Has Got His Hat On* is one of my favourites.

"I suppose if something is missing, it's a girlfriend: the Editor tells me he does have a female elk, but the roof garden's so big I've never found her.

"Still, it's a good life: the sky is my blanket, the earth is my bed. If I ever feel down I sit by the campfire, get out my guitar and strum a Jim Reeves tune. That really peps me up!"

Gutt Of The Stunt

***Frankie Gutt** might have more luck with doggy paddle than breast-stroke, but down at Piddleham Public Baths, at least he manages to dip his wick.*

All right, me old prop forwards? Frankie "The Goat" Gutt speaking, super sports hack with North Devon's favourite four pages of muck, mammaries and milking equipment, the *Exmoor Stunt* ("The paper with the Page 3 pig").

Unsurprisingly there's been a stonking great wad of sporting sensation stuffed into The Goat's slot this month. First off came events at Piddleham's Knob Road ground which clearly showed the totally unacceptable face of soccer (and I don't mean Ian Rush).

Readers will not be surprised to learn that this latest outbreak of hooliganism involved the Knob End's legendary gang of senile delinquents, the Intercity Infirm. At half-time of the Spurts' clash with Charltonath Latex, the codger crew's leader, football's so-called "Mr Violence" Cyril Violence (82) choked on a piece of pastry from his interval meat pie.

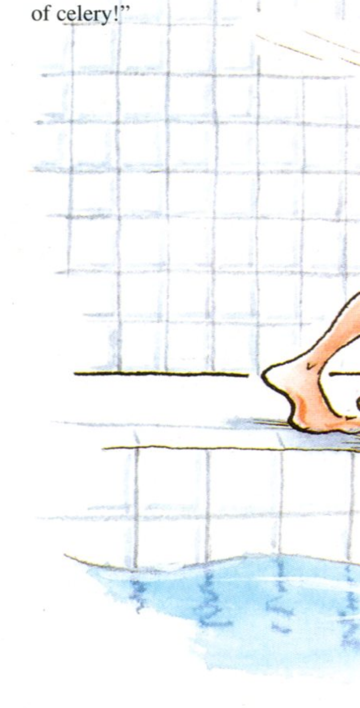
During the coughing fit that ensued the doddering yob's false teeth flew across the terraces and gave one of the ballboys a nasty nip on the left buttock. Consequently, with a blood-curdling yell of "Givesh backsh me teesh!" Violence launched a full-scale pitch invasion with his righthand man Harry "Def Git" Prostate.

This piece of octogenarian aggro could not have come at a more dangerous moment. At the time the geriatric duo went on the rampage the massive police presence (PC Bobby Bent) was round at the back of the stand engaged in a top-level de-briefing session with Piddleham Hotspurts' chief security officer (Miss Samantha Scroates). Luckily for fans and players alike, the tottering twosome were halted in their tracks by the club's newly erected three feet high security rope. By the time Violence and Prostate had negotiated this barrier and burst on to the pitch shouting, "Where are they, you little bugger?" it was 7.45, and everyone had gone home.

This latest outbreak of terror on the terraces has provoked a storm of protest, most of it from tiny Town Councillor Mr Colin Miniroll. At a press conference in the lounge bar of the *Cock and Kipper,* Councillor Miniroll slammed the soccer thugs.

"There wiz only one way to deal with these disgwaceful 'ooligans. We must pull down their twousers and spank their bottoms with spwingy lengths of fwuit and vegetables, until they cwy out, 'Ooh ya. Ooh ya. Stop it. Stop it. You masterful cweature!'"

Miniroll's words did not go unnoticed, however. The next day members of the Knob Road faithful paraded up and down outside the Town Hall brandishing giant inflatable gherkins and chanting, "If his wife can't come, Col smacks her on the arse with a stick of celery!"



Councillor Miniroll reacted angrily to the fans' taunts.

"This is an outwage," he told me. "A gwave insult to Vewonica and myself. The allegation that we engage in stwange sexual pwactices is completely untwue. Like any other normal mawwied couple we always use whubarb."

The other big news of the week at Knob Road was that the Spunkfronts' new manager, the crap-mouthed Cockney Dave Gussett, has signed Geordie joker genius Paul "Guzzla" Gutbucket from Tyneside top-dogs Haddawayanshite Spartans. Gussett told me: "This fucking Guzzla, he's the funniest bastard ever! When I first shook hands with the bugger, you'll never guess what he had in his mit."

"An electric buzzer?"

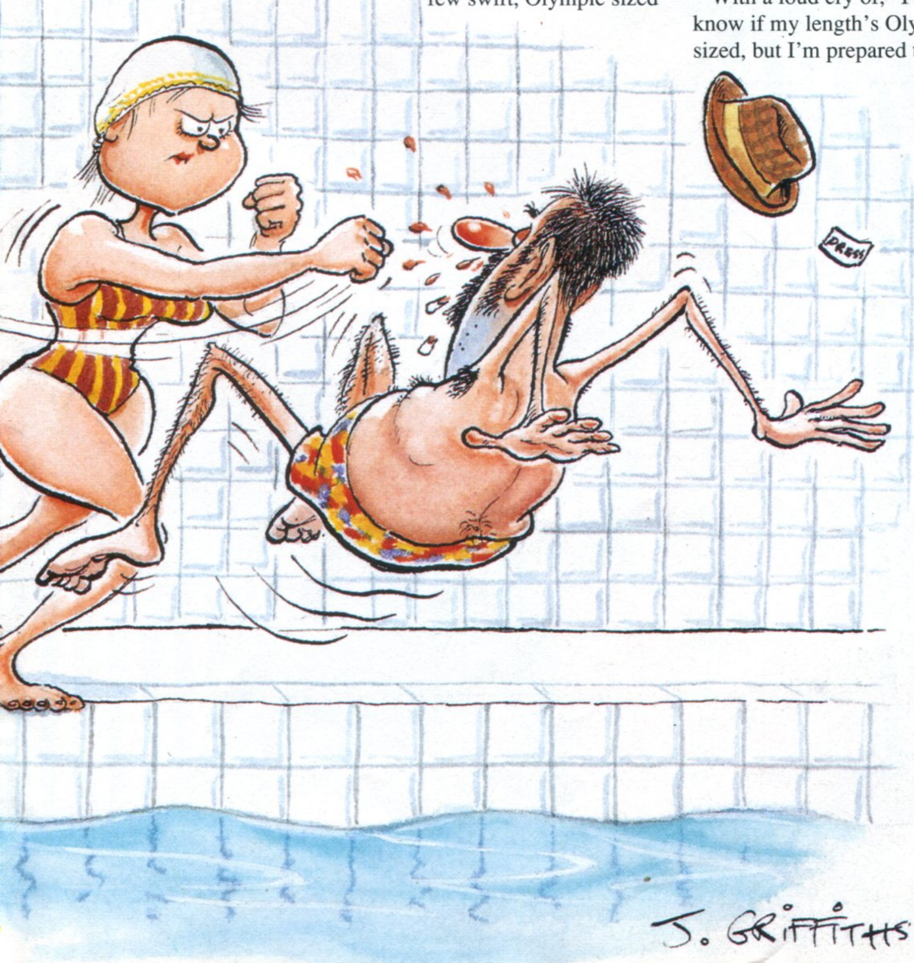
"No. A fucking great dog turd! And when I bent down to wipe it off on the grass, the hilarious young wanker belted me over the head with a fire extinguisher. When I woke up, I fair pissed myself, I can tell you!"

Spurts' fans are eagerly awaiting Gutbucket's arrival. As indeed is the entire local casualty department.

The other super scoop sniffed out by your old mate Frankie was the news that Sharon Raver, the sizzling sex bomb of the swimming pool, is to make a comeback. The lithe-limbed first lady of freestyle retired last year to pursue her business interests. Unhappily for Sharon things did not work out as planned: the bottom fell out of her G-string chain, her bra business went bust, her papershop folded, and her breast-enlargement clinic flopped.

This left the leggy lovely with little alternative but to return to what she does best - parading round in a damp, skin-tight Speedo. And swimming too, of course. As you've probably guessed by now yours truly likes nothing better than to plunge up to his neck in something wet and steamy, so I went down to Piddleham Public Baths to interview Sharon at poolside.

All I can say, me old chinas, is that I don't know what came over me. Perhaps it was the smell of the chlorine; maybe it was the embarrassment brought on by the fact that after 30 seconds of gazing at the cockable crawler's wet cleavage my trunks had started to look like a half-built ridge tent; or perhaps it was the ten gin and tonics I'd had beforehand. I don't know. But the fact is that when I asked the rumpable Raver how she was feeling and she replied, "Not bad, though I'm desperate to get a few swift, Olympic sized lengths under my belt," I got completely the wrong idea.



With a loud cry of, "I don't know if my length's Olympic sized, but I'm prepared to give you the benefit of my breast-stroke experience," I leapt on the gorgeous gold medallist.

They're fucking strong these swimmers. No sooner had I got myself in a position to demonstrate my mastery of the tumble turn than I was flying through the air and into the deep end.

Now, your old mate Goat wasn't born and raised in the East End for nothing. Within seconds of hitting that water my crafty Cockney mind had concocted a cunning plan.

"Help! Glug!" I cried. "I can't glug swim. Glug, lub!" Moments later I was floating on the surface, eyes shut, in a very passable imitation of Orca the killer whale the morning after a particularly dodgy Eskimo Vindaloo.

"Oh no," I heard shaggable Sharon call. "The filthy old pervert's drowning!" Then I felt her lickable limbs enfold me. She pulled me out of the water and the next thing I knew I was lying on my back with the red-hot lips of Britain's raunchiest racer pressed to mine.

I needed no further encouragement. I unfurled Frankie's famous bubble and squeak batterer, flicked it into her gob, and commenced giving her tonsils the sort of treatment Mike Tyson hands out to the speedball. At this point I opened my eyes for the first time since taking the plunge, to see what effect my tongue tonking was having on the bonkable backstroker.

I've never had much luck. In fact, if it was raining palaces, I'd get hit by the shithouse door. When I opened my minces, instead of gazing into the baby-blue eyes of Piddleham's most pokable sports star, I found myself staring at the far-from-friendly face of Duncan Doughnuts, the bald-headed butterfly bloke.

He was not amused, I can tell you. Still, the dentist says I'll be back on solid food within a month. Until next time, remember what the cricketers do, and keep your old bat well-oiled during the winter. *-Frankie* ♣

GOING TO THE DOGS!

If any of you out there needed proof that America really is going to the dogs, then here it is. From the same country that brought you the Ninja Turtles, deely boppers and that short-arse Michael J. Fox, we now have the pleasure to present... doggy ice creams.

Yes, for marginally less than the price of a four pack of your favourite lager, you can treat your overheated pet to a carton of his favourite flavour ice cream. Perhaps raspberry ripple makes his little tail wag, or if he's feeling a little frisky then maybe peach and passion fruit will do the trick. Spot here certainly seemed pretty keen on the latter, giving it the paws up with a very definite "Woof!"

And for those especially hot, dry, parching seasons, why not try Fido on a refreshing glass of Thirsty Pup, the popular eau especially for man's best friend. We just know that he'll be lapping it up and begging on his hind legs for more. In fact, the canine community wouldn't give a XXXX for anything else...♣

IN ARREARS

Welcome to *The South Wank Show*, our monthly review of the arse. Today we take a look at Shakespeare. For many years, it's been accepted that the bald bard was the equivalent of a 16th century soap writer, but what is less well known is that he was also a randy bastard who liked a pair of chubby cheeks. Witness this hitherto undiscovered bottomless balcony scene from his play *Romeo and Juliet* (illustrated here). Here our Rom finds his love undressing in the upstairs bedroom, and climbs up to sneak a peak at her butt.

Now, some literary experts claim that in Big Willy's day, all the girls' parts were played by men. This is bollocks - caused by a mistranslation of the Middle English. In truth, all the girls' parts were played *with* by men.

What's more, in one of his poems (or soddets), the great man penned:

"Prithee, sooth, alack.
I loveth those orbs found at the back.
Smooth and round, like sweet, ripe peaches
Hey nonny, they are her finest features.
O'er high hill I'd pass
For a big handful of firm young arse."

Some say this was in fact written by Francis Bacon whose love of bums was also great. In fact, so much so that he was known as Back Bacon! - *Ricky Rear* ♣

which was a black, button fronted dress. She left half her dress unbuttoned, so that when she walked into the dining room her legs, complete with the finishing touch of red stilettos, would be on display for everyone.

I sat on my own in the dining room and looked over to where my wife and the others on her course were sitting. Most of the group were men, five in all, plus two very ordinary looking girls. The youngest bloke was about 35 and the others all over 50.

Then my wife entered. As she came down the stairs we caught a superb glimpse of stocking top.

I wasn't the only bloke who'd noticed her; the five blokes on her course were gobsmacked. When she sat down everyone began to talk at once. As my wife was sitting opposite me, I could see her legs under the table, and this gave me a big stiffy.

As the night wore everyone was drinking a lot and getting to know each other. My wife was obviously enjoying the attention she was getting from all the blokes, and when she came back from the toilet I noticed that she'd undone her dress to just above her crotch, giving everyone a good flash of her stocking tops and panties. She sat down between the two men, looked straight at me and opened her legs, giving me the horniest flash possible.

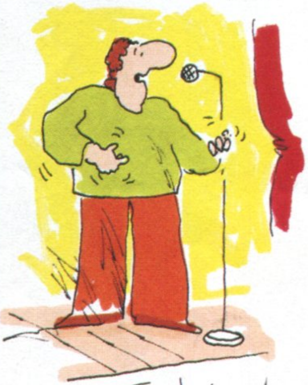
I watched one of the men slide his hand under the table and rest it on my wife's thigh. She quickly shut her legs, but as he stroked her she parted them slightly.

Now was the time for me to go to the bedroom and wait. I called for my bill, which was the cue for my wife, and left. As I did so I saw her lean across to whisper in the guy's ear and then go to the ladies'. As I raced upstairs and hid myself in the wardrobe I was getting really excited.

I heard the door open and in came my wife, followed by not one, but two of the men she'd met earlier! My wife was about to fuck two men right before my eyes.

All three sat on the end of the bed, and while one started to kiss her the other parted her legs and probed her red silk gusset with his fingers. The bloke kissing her had exposed her tits and was now removing her dress completely. This done, he laid her back on the bed, her feet still on the floor.

I was then treated to the sight of the other man pulling my wife's panties to one side and exposing her soaking wet



Woke up this morning someone had stolen my guitar...Yeah I woke up this mornin' cunt. He began licking her clit with the tip of his tongue, then tongued right inside her. Meanwhile, my wife had grabbed the other man's cock and was sucking it for all she was worth, while he carried on playing with her tits.

Suddenly, my wife changed positions. Kneeling on all fours, she was able to suck one man while the other licked her from behind. This quickly got too much for her, as next minute I heard her cry out, "Fuck me! I want your come juice!"

Straight away the bloke behind her got onto his hands and knees and drove his cock hard into her. After a few minutes of him pounding and my wife gasping, he told her that he was coming. Quickly, my wife turned round and finished him off by wanking him into her mouth.

The second bloke then turned her onto her back, pulled her legs up onto his shoulders, and began fucking her hard. It didn't take long for him to yell that he was coming, and just as he did he pulled out and sprayed all his come over my wife's pubic mound, while she frigged her clitty to bring herself off.

For the next couple of hours I watched in delight as they fucked and sucked my wife in every position she could dream up. When they'd left I took some photos of my wife, much to her delight - and then we had our best ever fuck! - *Steve, Sussex*

GET AN EIFFEL OF THIS

Super sophisticated techno-dream or simple driving machine, there has long existed a debate about the precise nature of the perfect sports car. In fact experts and enthusiasts can only agree on one thing - whatever the perfect sports car is, it's not French.

All told, it's hard to understate the Frogs' contribution to high performance cars if only because it doesn't exist.

More rabid than rapid, they may own Le Mans but they don't win it, indeed the French have proved themselves to be to performance cars what the Sudanese are to white water rafting and the Brits to tennis. Crap. There were two exceptions, but nowadays nobody can remember what they were called. *(I can, the Monica and the MVS - Ed.)*

Another French attempt was Peugeot's Quasar. Available only in metalflake ketchup it was abandoned shortly after completion, Peugeot perhaps realising that there wasn't a large market for a roadgoing midget submarine with a solardrome and no doors. It was replaced by a far more down-to-Earth machine, sprayed silver and named after an area on Mars. Better equipped and even faster than a 205 GTi 1.9, Oxia has everything from a variable rake aerilon to a computerised navigation module. Even with its solar-powered air conditioning it's hotter than a lorry load of British lamb on the dockside at Dieppe - in fact let's face it, if Luke Skywalker had been born with garlic on his breath he'd have one of these.

Its light alloy quadruple cam 24-valve 2.8 litre straight six is supercharged by twin turbo compressors and pushes out a modest 680bhp. It has a six speed gearbox based on the astonishing but ugly Peugeot 405 T16 Paris-Dakar rally car and four wheel drive and steering. Hyperspace is a no-cost option.

The bodywork is made from a carbon fibre and Kevlar composite, more commonly employed in the construction of cruise missiles and Formula One cars, making the car extremely light and giving it a top speed of around 200mph. *(Although a tweaked version of the same engine managed over 250mph at Le Mans.)* Acceleration is similar to that of Prost's Ferrari, but despite advanced brake technology its stopping distance can't quite match that of a cruise missile. A battery of computers constantly monitor tyre temperatures and pressures, and automatically adjust the huge rear wing when you hit 150mph on the Paris *peripherique* and, via a Charles Aznavour voice synthesizer, it can even tell your fortune: *A tall dark stranger will soon relieve you of your licence.*

Oxia's other on-board trickery includes a personal computer, tracker ball, floppy disk drive, telephone, and a special racking system for Formula One onion sellers. Traffic and weather conditions are moniterod automatically, and once your destination is keyed-in, the appropriate map is displayed on screen. The good news then is that there's plenty to play with whilst you sit stationary on the M25.

The bad news is that enquiries at our local dealer, Robin Yewland-Squire, said the waiting list for an Oxia is rather long: about 30-35 years, depending on the colour. ♣

It will not have escaped the notice of our more perceptive readers that the word Nicole sounds a little bit like the word knickers. It has not escaped Nicole's notice either. GRIPPING YARNS

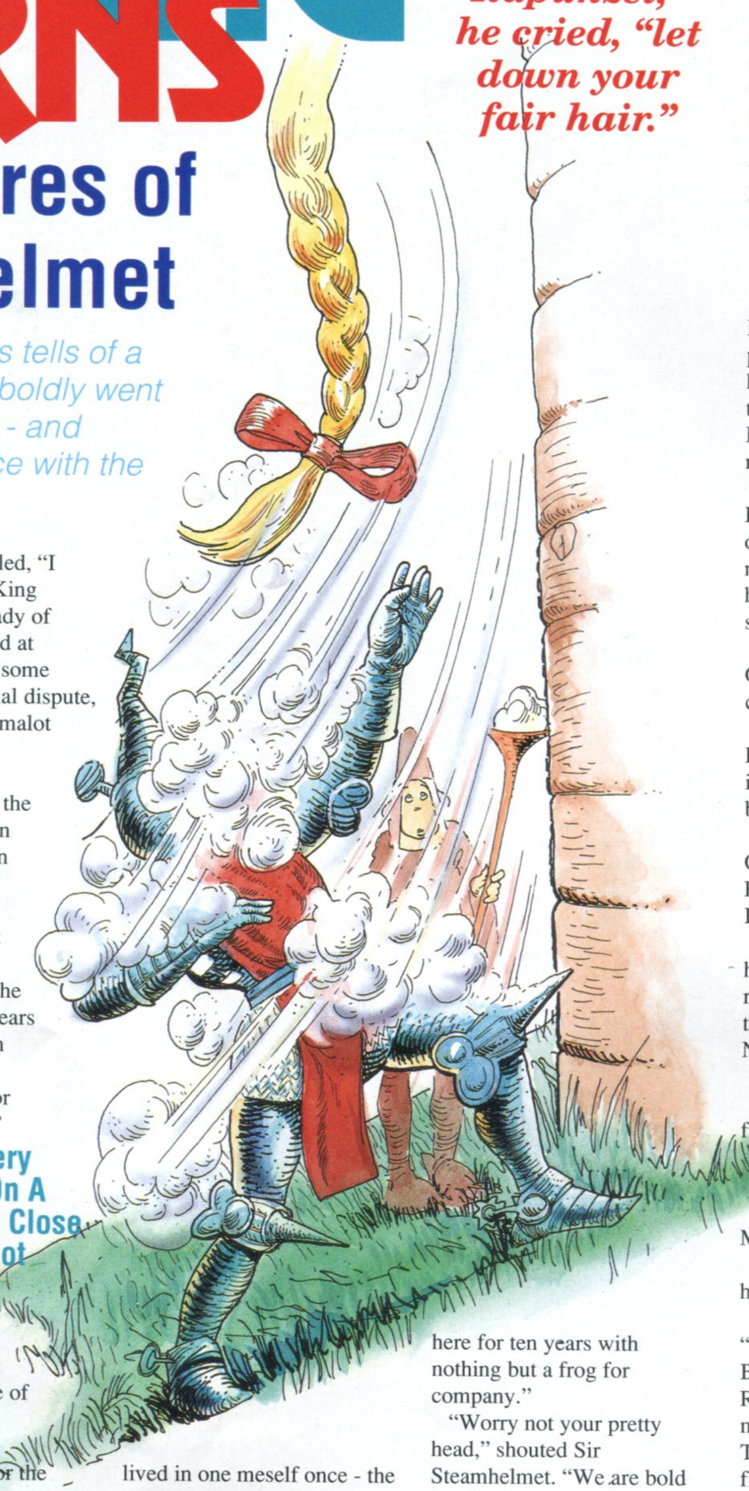
The Adventures of Sir Steamhelmet

Our third tale of Lad's Own heroes tells of a knight of old, a brave knight who boldly went where no knight had gone before - and almost always conducted his lance with the utmost decorum.

"Rapunzel, Rapunzel," he cried, "let down your fair hair."



At the Court of King Dennis, in the Palace of Cumalot, there were many fine knights: Sir Bocroat the Yugoslav, Sir Comestance the Knee-Trembler and Sir Vicecharge the Not Included. But none was as bold, nor brave, nor bulging in the codpiece department as Sir Steamhelmet, the Red-Hot Knight Of Passion (a small village near Doncaster). The legends of his gallant deeds are a thousandfold. This is just one of them...

In King Dennis' Court

Good King Dennis stood at the window of the Great Hall of Cumalot and gazed out at the autumn landscape. "The leaves are falling," he sighed. "Winter draws on."

"I put mine on yesterday," quipped Shiteweevil the Jester.

"Now, your Majesty," spoke up Sir Vile the Boastful, "I must tell you of my latest adventure. Yesterday, whilst in the kitchen, I didst spy an ancient crone gobbing on Your Majesty's dinner before putting it in the oven. 'Old crone,' says I, 'Why dost thou gob upon His Majesty's dinner before putting it in the oven?' 'Because,' says she, 'he likes everything spit-roasted.' 'Foul witch! Poisoner of kings!' cries I, and drawing out my sword I sliced her clean in two."

"Half-a-crone," jeered the jester. "That's twelve and a half pence in new money."

At that moment a herald burst into the Great Hall. "My Liege," he called, "I bring grave news. King Ethelred the Unsteady of Grogland has landed at Dover and, barring some unexpected industrial dispute, will advance on Cumalot tomorrow."

"Grave news indeed," exclaimed the King worriedly. "An army advances upon Cumalot and our bravest warrior, Sir Steamhelmet, is not among us."

"Aye, sire," said the Jester. "Two long years has he been gone on his quest... and you only sent him out for the morning paper."

At That Very Moment, On A Mountainside Close To Cumalot

Three haggard crones sat in a rude hut. "When shall we three meet again," shrieked one of them, "In thunder, lightning and rain... and that's about it for the weather. Now over to Anna for news of today's sport..."

Somewhere Else In The Kingdom

Sir Steamhelmet and his squire, Darren, were galloping over the greensward. On a distant hill they spied a tower.

"Let us ride to yonder tower," cried out Sir Steamhelmet, "for I sense that a fair maiden may well be stuck at the top of it."

"I know what you mean, Guv," grumbled Darren. "I lived in one meself once - the lifts was always out of order..."

Just as Sir Steamhelmet had predicted, at the top of the tower was a comely wench with long golden hair.

"Fear not, fair maid," cried Sir Steamhelmet, "for your rescuers are here."

"Good knight," called down the maid.

"And a very good evening to you, madam," called back Squire Darren.

"Shut the fuck up, smartarse," yelled the sweet maid. "I've been stuck up here for ten years with nothing but a frog for company."

"Worry not your pretty head," shouted Sir Steamhelmet. "We are bold knights, both gallant and chaste."

"And if she's been up there on her own for ten years we certainly will be," whispered Squire Darren with a grin. "And caught up with too, if I have my way."

Sir Steamhelmet ignored his squire. "Rapunzel, Rapunzel," he cried, "let down your fair hair."

The maiden complied with his request, and seconds later he and Squire Darren were up to their knees in dandruff.

"Well," said Sir Steamhelmet as he dusted off his armour, "I don't think there's anything in the Knightly Code that says we have to rescue a damsel with a scalp condition. Let's get back to Cumalot." They mounted their steeds and cantered off.

"Rerbitt. Thank fuck for that," said the frog. "I reckon I might get a result here."

Meanwhile, At King Ethelred The Unsteady's Camp

From in amidst the fluttering penants, horses, armour and hordes of men came forth a trumpet blast, the signal that King Ethelred was doing his rounds.

"It's your round, Ulf," the King said, waving his glass at one of his courtiers. "And mek sure there's a proper head on it this time. This southern beer's bloody piss."

"What news from Grogland, Sire?" inquired his cousin, Prince Buggerlugs.

"Sod all!" moaned Ethelred. "The postal system in this country's up the bloody spout."

"And what news of your Queen, the beauteous Lady Rudinudi?" asked Prince Buggerlugs suggestively.

"Don't talk to me about her," groused the King. "I reckon she's got a thing for that bloke Luigi the Mad of Naples."

"Why so, Sire?"

"Ever since she came back from that holiday in Benidorm she's gone on and on about how she loved those barmy Mediterranean knights."

"And yet you left him at home in Grogland, Sire."

"Oh aye," said the King. "I'm too clever for him. Before I left I fitted Lady Rudinudi with one of these new-fangled chastity belts. They've got an axe blade fitted to them that chops down automatically if you shove anything into it. If Luigi the Mad sticks his todger in that, Whack! Off it comes. That's right isn't it Ulf?" he said to the man returning with the beer.

"Mmph. Mumph. Mmmm," said Ulf.

"Her Majesty never did know when to say no to the liquor," muttered Prince Buggerlugs.

At That Moment...

On a blighted heath three raddled senior citizens sat

"Adder's fork , and blind worm's sting. Lizard's leg and owlet'swing....So much for the sausages "

cackling over a steaming cauldron. "Eye of newt," cackled one of them, "and toe of frog. Wool of bat, and tongue of dog. Adder's fork, and blind worm's sting. Lizard's leg and owlet's wing... So much for the sausages. And now over to Angela, who's got a super recipe for Doner Kebabs."

Next Day, At King Dennis's Court

In the Great Hall of Cumalot King Dennis and his Knights anxiously scanned the horizon.

"Ibiza sounds nice," said Sir Vicecharge.

"Yes," said the King, "But I think Thompson offer an all-round better Iberian package, don't you?"

Suddenly the Palace was rocked by a great noise. "Boo ya. Boo ya," it went, "chillin' def cooly D. CCCCCC crucial. Jammin'. Jazzy B."

"What's that?" exclaimed the knights.

"Sounds like the Black Prince," said the jester.

"Yes," said the King, "remind me to have a word with the wife about him."

Elsewhere, At Some Point

Sir Steamhelmet and Squire Darren were riding hell-for-leather over a stark and windy moor, when they stumbled across a rude dwelling.

"Fuck off, you clumsy cunts," said the dwelling.

Disturbed by the noise, three witches emerged from the hut. "Hail to thee, Squire Darren," they shrieked.

"Why me in particular?" asked Darren.

"For 'tis written in the air," screamed the witches, "that Squire Darren will come amongst ye, a man from Camden Town; and ye shall grant him his wish - a penis that reaches the ground."

"Great news!" cried Darren.

"Indeed," said the witches. Then they cut his legs off.

Meanwhile, Back At Cumalot

King Dennis and his knights watched from the Great Hall as the army of Ethelred the Unsteady drew up before the palace. The herald suddenly bounded into the hall.

"Good news, my Liege," he cried. "Sir Steamhelmet is without."

"Without what?" exclaimed the knights.

"Oh for fuck's sake," said the herald. "If you're going to be silly you can do your own bloody announcements."

Before the knights could make their apologies, Sir Steamhelmet strode into the room. "My Liege," said the bold knight, bowing before the king, "I have returned from the quest on which you sent me," and so saying he produced from under his breastplate a crumpled copy of *Ye Newse Of Ye Flatte Worlde* and handed it to King Dennis.

"Blonde Beauty In Sex With Frog Shocker," read his Majesty. "He Told Me He Was Prince In Disguise, says Rapunzel."

Putting the newspaper down, the King smiled happily at Sir Steamhammer.

"Once again you have served me well," he said, "and I can but bestow upon you yet again the highest title in the land, that of knight. How many times have I thus dubbed you?"

"Thrice, my liege."

"Three times a knight!" japed the jester. "I'd settle for that."

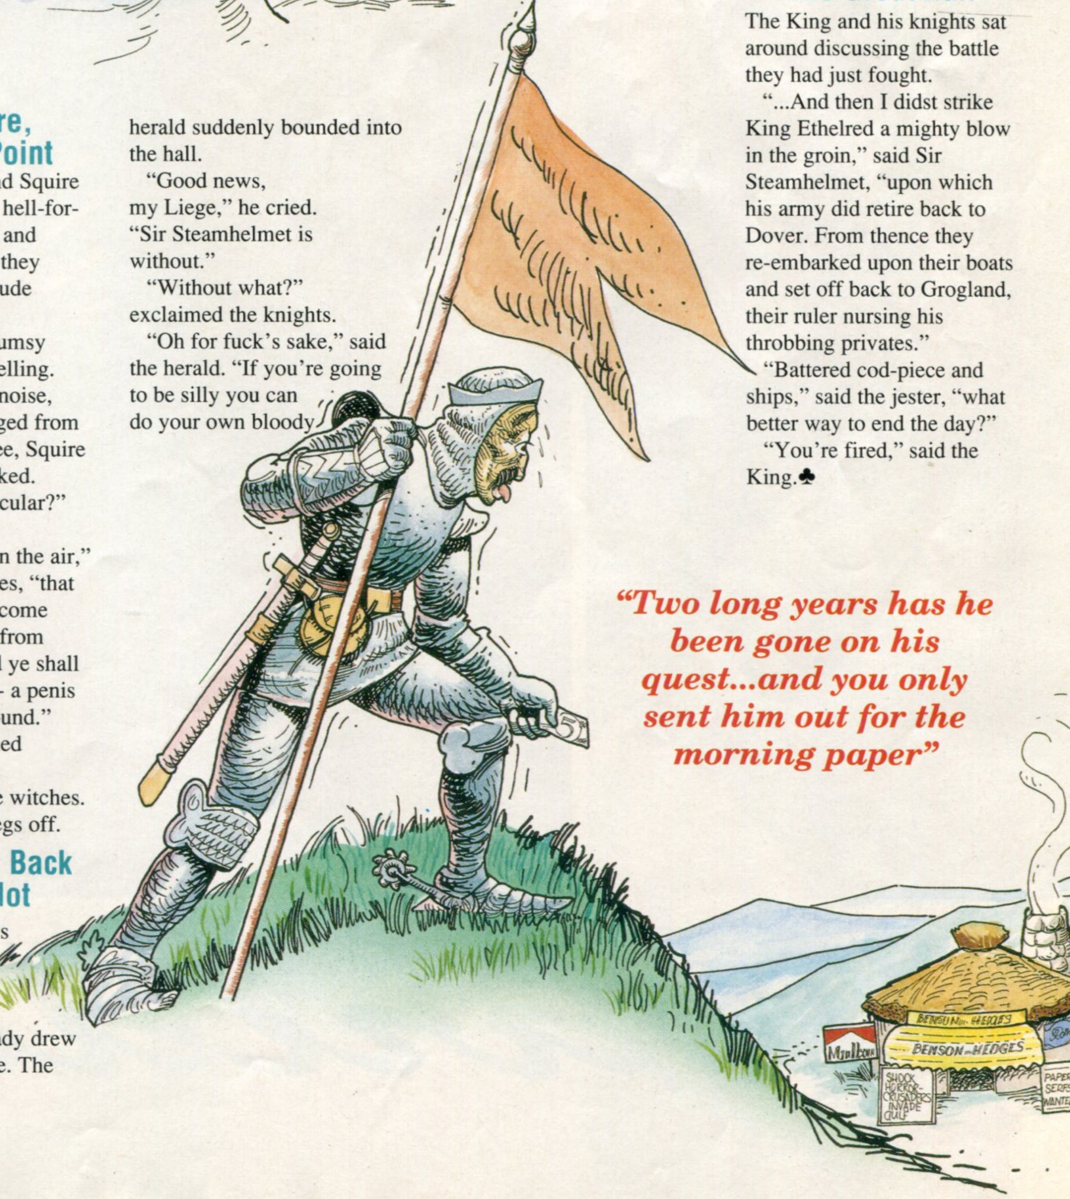
Later That Day, In The Great Hall

The King and his knights sat around discussing the battle they had just fought.

"...And then I didst strike King Ethelred a mighty blow in the groin," said Sir Steamhelmet, "upon which his army did retire back to Dover. From thence they re-embarked upon their boats and set off back to Grogland, their ruler nursing his throbbing privates."

"Battered cod-piece and ships," said the jester, "what better way to end the day?"

"You're fired," said the King.♣



"Two long years has he been gone on his quest...and you only sent him out for the morning paper"

Marianne

Photographs by Michael Moore

Just when most people are settling down for a long winter at home, Marianne heads for the beaches. The 20-year-old from Cheltenham says she prefers her sand deserted. "That way I can strip off completely and feel the warm sun on my boobs and fanny," she told Club.

Marianne also loves skinny-dipping.

"I was one of the best swimmers at school but this is a bit different from rescuing a rubber brick wearing my dad's pyjamas. The only snag with off-peak holidays are the shortage of hunks, after a hot day in the sun, I really like to share the cool of the evening with a man. Trouble is, most of them here are pensioners!" ♣

Women's Writes

Where the girls get down to business

PLANE RANDY!

My name is Mandy and I work in London for a city finance house, as a secretary to the Managing Director. Most of my job is secretarial, and I find work can be rather dull. So when the chance came for me to accompany my boss Martin to a conference in Paris I jumped at it.

I'd heard from other people that Martin had something of a reputation with the ladies, and I'd often thought about trying to seduce him myself, but the chance never arose. This trip seemed the ideal opportunity.

Normally if I was accompanying Martin on business I'd take along a selection of what I would call 'sensible' clothes; beige business suits and the like. But this time I was determined to surprise him, so I decided to be a bit more adventurous. Lace panties, silk suspenders and a couple of figure hugging suits were definitely the order of the day, and were duly packed in my case.

I'd arranged to meet Martin at the office to get a taxi out to the airport and catch our flight to Paris. Normally he only sees me in frumpy two piece suits, and I couldn't wait to see his face when he saw me. I must have spent about two hours making sure that I was dressed to thrill. I chose a figure hugging black dress, sheer black nylons and suspenders, and a pair of white silky knickers.

When Martin met me at the office you could have knocked him down with a feather!

"You look sensational, Mandy!" he said, obviously taken aback at the sight of his normally conservative secretary dressed up to the nines.

We weren't in the taxi five minutes before I realised that what had been said about him had more than a ring of truth about it! I tried to pretend I didn't notice the way his hand was slowly creeping towards the top of my thigh as he reached over me to unwind the window, and from the bulge in his trousers I could see that he was obviously getting aroused.

By the time we got to the airport I could feel that I was getting wet between my legs and headed straight for the toilet, using the excuse that I

was going to powder my nose.

Powder my nose indeed! I needed a quick frig, and I pulled off my knickers and pulled apart my pussy lips to reveal my swollen bud. Gently one, then two fingers were pushed into my sopping slit as I brought myself off to a shuddering climax. When I got my breath back I headed back to where Martin was - minus my knickers, which were now sopping wet.

Knowing full well that I was wearing no underwear I walked up the stairway to our plane just ahead of Martin, so that he could get a good eyeful right up my short skirt to my sopping wet cunt. I turned round and could see that Martin was getting the full effect of my little show. His eyes were transfixed!

We were shown to our seats, which were right at the back of the plane next to the toilets, and sat down. I started to put on my safety belt but Martin stopped me.

"Here, let me do that for you," he said, quite unashamedly using it as an excuse to run his hands over my body. "That was quite a show you put on back there."

"What show?" I replied innocently.

"On the stairs," he grinned. "What about a repeat performance later on when we get to Paris?"

"Why wait till we land?" I said, gesturing to the toilets beside us.

The look on his face was priceless and I could see from the ever increasing bulge in his trousers that he had cottoned on to what I meant.

Taking Martin's jacket I placed it over my crotch and guided his hand towards to my sopping snatch. He didn't need much encouragement, and pretty soon he was rubbing my clit frantically and parting my cunt lips as he pushed his fingers deep inside my hot pussy.

"Let's go into the toilet," he said. "You go in first, then I'll follow in two minutes."

Adjusting my dress, I got up from the seat and went into the toilet to wait for the knock on the door. The inside of the toilet was quite small, but big enough for what I had in mind. Impatient, I took off my dress and stood waiting wearing only a bra and a pair of suspenders.

When the knock at the door duly came I let Martin in. He just seemed to lose all decorum at the sight of me, and in a second he was frantically kissing and licking at my face as he tried in vain to loosen his trousers.

"Let me do that," I told him, and I started to loosen his belt and undo his trousers.

His dick sprang out and I started pulling on it, first gently then harder and harder. He was sighing and groaning as I started to work my mouth down, kissing and sucking at his chest as I went down on him.

His purple head was glistening with pre-come as I started to kiss and lick it while gently stroking his hairy balls. Gradually I started sucking faster and faster; my head bobbed to and fro as I took his whole length in my mouth.

The inevitable happened, and he groaned and pulled my head away as he shot his load over my mouth and face.

"Now it's your turn," he whispered. "Sit down."

I sat down on the toilet seat as he parted my legs and stuck his face into my wet pussy, inhaling the musky aroma. Parting my pussy lips, he darted his tongue in and out of my cunt, hitting my swollen bud each time as I loudly groaned at the pleasure he was giving me. Before long I came to a shuddering climax as I drenched his face in my juices.

He looked up from between my legs and smiled, "Ready for the big one?" I just nodded as he rose from his knees and started kissing me, and for the first time I tasted my own juices.

There was obviously no room in the toilet to lie down, so Martin guided me up against the wall and parting my legs, eased his meat right up inside and started pumping. I thought my legs would give way as he did so, but I gripped the sides of the cubicle as he fucked me harder and harder. He could sense that I was coming and he built up his rhythm to a tremendous climax as we both fell to the floor.

We eventually managed to get back to our seats, and indeed to the conference as well, but as you can probably guess there wasn't much work done over those two days! - *Mandy, London*

ON THE JOB

The Naughtiest Girl Was A Model

If you thought my face looked familiar when you turned to this section of Club, then you'd be right. In fact, I appeared last month, showing off my delicate little pussy for you and telling you how I was turned on to nude modelling by a girlfriend of mine and that once I'd tried it, I loved it.

So when I read the issue of Club that I appeared in, and found out that there was a whole section of the magazine devoted entirely to women and their horny stories, I couldn't resist sending in my own.

Although I've not been modelling very long, I've managed to keep to quite a hectic schedule, and so I've done a great deal of work in a very short time. The most exciting thing that I've done was to make a blue movie, which I got into quite by accident.

I was called into the office one day about two months ago by my agent, who said she had a job for me which she knew I'd enjoy. And I did - it was the first time I'd done any modelling with another girl before, and although we didn't have to touch each other or anything, just smile at the camera and strip off for a sequence of shots, the whole situation was really erotic.

It was after the shoot when the photographer approached me. A friend of his was a director of adult films, he said, and he was looking for a girl to have a good, meaty role in one that he was planning to sell in America. The way I'd conducted myself at the photo session had convinced the photographer that I had promise.

Of course, when he mentioned that it was adult films, I knew what he meant straight away - having sex on camera. Still, that didn't hold nay fears for me, as I've no hang-ups about sex. In fact, the idea of being filmed fucking actually gave me a little frisson of excitement.

The deal was set up, and a week later I was picked up by car and driven to the director's home studio. After passing my screen test, he then told me a little about the action. Basically, it was standard blue film fare; the tale of a swinging husband and wife who went about sleeping with anyone they fancied. Fair enough, I thought, and although I didn't

know what part I'd be playing, when the director, Colin, told me how much I'd be getting paid for a couple of days' work, I agreed on the spot.

It was then that he dropped the bombshell - I was to play the wife's lesbian lover!

Colin obviously saw the look on my face as he said that, because he looked concerned. "Look, if you don't want to do it, love, that's fine," he said. "I shan't mind."

I thought it over for a couple of minutes before replying. What the hell - I didn't have anything to lose, and the money he was offering was staggering. "OK," I grinned, "I'm game for it - but you'd better warn the other girl that I'm a bit of a novice!"

I didn't actually meet my co-star until a couple of hours later. Until then, I was choosing my costume, a close fitting black lace top, see-through blue skirt, and underneath a black, half cup bra and shiny blue panties, and putting on some heavier make-up for the cameras. I kept wondering what she'd look like, whether she was actually a lesbian or if she was like me and just doing it for the cameras.

When I entered the studio, looking a million dollars I must say, I was surprised at how professional the whole set-up was, with lots of lights and microphones and expensive equipment everywhere. I'd expected it to be pretty seedy but it wasn't at all. In fact, it looked just like something out of the movies!

"I'd like you to meet your co-star for your scenes," Colin said, ushering a tall, slim, very attractive brunette into the room. "This is Candida. She's done all this before, so you just get nice and relaxed, then take her lead and follow what she does."

Candida smiled at me, and told me not to worry. "You'll soon get the hang of things."

Standing there looking at her, all I wanted was to get the hang of Candida! She looked gorgeous in a see-through red blouse and matching skirt, with high patent heels to complete the outfit. Although I'm pretty broadminded about sex and always have been, I'd never given any thought to the idea of sleeping with a woman before - I'd always been too busy with blokes.

I felt really nervous as we prepared the set to start shooting. What if Candida guessed what effect she'd just had on me? After all, she was a professional actress, and I thought it was hardly likely that she'd be into women too. That was just too much to hope for.

Colin presented us with a synopsis of what he wanted us to do, but when I asked why there was no script he replied, "Just make it up as you go along. It sounds much more natural that way. Just take things as they come and say what you feel."

With that, we got started. The first shot was of me entering the set, which was laid out as Candida's bedroom, and getting into bed with her as she feigned sleep. Colin had told me to just follow Candida's lead after that, so I waited to see what she'd do as I knelt on the bed.

I soon found out when she reached up and pulled me down on top of her, so that our nipples were touching through our see-through outfits. Hers were hard as rock, and very pointed, making the material of her top stand out even though she was lying down. Then, before I knew it, she'd cupped my face and started kissing me.

I felt her tongue push right into my mouth, and at the same time one of her hands rested between my legs, cupping my hot pussy mound. She started speaking in between deep kissing, making up the script as Colin had said.

"God, I was hoping it was you and not my husband," she breathed, beginning to work her fingers along my juicy slit, which was still covered by my panties. She'd soon slipped one finger around the gusset and was touching up my clitty. "You can't imagine how much I've been dreaming of touching your wet pussy. Just feel how wet you've got me just thinking about it." With that, she guided my hand down to her own cunt and started pressing my fingers to her clit.

She was still speaking as she showed me how to finger her off, and the cameras were still rolling, but I didn't register any of it. All I could think of was that Candida was frigging me off and that I was going to have an orgasm any minute.

My hips arched off the bed involuntarily as I felt a great rush of heat pulsing through my wet little cunt. "That's good, just relax into it," Candida panted for the benefit of the camera, as she fondled my sensitive boobs after pushing my bra up over them, teasing the hard nipples between her fingers. "I just hope you can save something for me."

I came then, panting and gasping and thrashing about. I didn't hear Colin shouting, "Great stuff! Carry on," because I was oblivious to anything by then, except Candida's fingers frantically stroking my muff and my own gasps of pleasure. Momentarily, she broke our body contact, and I moaned in protest, but I soon shut up when she crouched over my face, giving me a close-up view of her hot, wet cunt, before slowly and firmly settling her open pussy lips right on my mouth.

It was my first taste of a woman's cunt. At first I was a little afraid of it; not because I was nervous about it all being filmed, because by now I'd totally forgotten that the film-makers were even there, but because it was unknown territory for me. As I said earlier, I'd always been too busy with guys for the thought of bedding a woman to cross my mind and I just didn't know where it would lead me.

Tentatively I stretched out my tongue and placed the tip of it right on Candida's love

button. Immediately she groaned and arched off the bed, still managing to say her lines for the camera.

"God, that's good! Do it harder, Eleanor. Now put it inside my pussy and lick hard. Faster!" Her words soon tailed off into a series of moans and groans, and she writhed on top of my face, smearing me with her love juices and making my tongue lick her pussy walls hard and fast. And you know something? I really enjoyed the taste of a woman's love juice. It was sort of sweet and tangy, and soon I was lapping up all the lube I could, with the camera being held right up close to my face so that Colin could get all the action.

Candida had come several times and looked set to keep on doing it, but at that point Colin shouted, "Cut!" Candida manoeuvred herself off me carefully, pulled her panties back into place and calmly walked into the dressing room to get changed for her next scene. I couldn't believe that she wasn't as affected by what had happened as I was, and I must admit that I felt a bit miffed as I went to the dressing room to clean up.

Colin and the crew were on their break and so they disappeared off to the studio kitchens, leaving me alone in the dressing room with Candida. I walked in wearing just my undies, and in the mirror I could see the desire in her eyes as she eyed my nearly naked body. I was going to make her want me off screen as well as on!

It was only a couple of seconds before she spoke to me, her voice husky as if she was trying to control herself. "You've got a great body," she breathed. "No wonder you got on so well when you first started modelling. I do some myself, you know." I could believe it; Candida's body was beautifully trim and firm, with generous boobs and long legs, and that juicy pussy... I could feel myself getting hot and excited again as I thought about that pussy.

She moved over towards me and started kissing me then, her tongue gently probing between my teeth before launching into a fully fledged French kiss that took my breath away. At the same time her hands were all over me, rubbing my boobs and my bum cheeks and touching my wet cunt, slipping over my love lips. My legs were trembling and I could barely stand.

Lifting me off my feet, she sat me on the vanity unit in front of the mirror, spreading my thighs as wide as they'd go after pulling off my soaking knickers and bra. I felt quite vulnerable just sitting there naked, my boobs pointing upwards and my pussy leaking juices, but I was so relaxed I just didn't care. Candida could do what she liked to me.

"Close your eyes," she instructed, "and just enjoy what I'm going to do to you." The next moment I heard the faint sound of oil or grease being rubbed into fingers, and I thought she was just going to bring me off again, but I was wrong. The next moment I felt the tip of something solid and extremely hard nuzzling at the opening of my cunt, pressing against my clitty and sending me wild.

"Open your eyes," Candida instructed, and as I stared back at her I saw that she'd put on a strap-on dildo. It stuck out a good ten inches from her pubic mound, and the first inch of it was now embedded into my pussy.

"I'm going to fuck you with this until you've come more times than you can imagine," she promised me. "Think you can take it?"

"All the way," I replied, and shuffled on the unit top so that my cunt was poised right on the edge. "Just get it up me."

With her high heels Candida was just at the right angle to fuck me with the long, thick dildo. She eased it up me gently, inch by inch, until my pussy walls were stretched with the effort of accomodating it, my clitty right out of its hood and bursting for a come. I reached down and rubbed it vigorously, at the same time

feeling the smooth surface of the dildo as it inched inside me. It was an incredible sensation; I'd never felt this filled up or this satisfied before.

"Fuck me," I whispered to Candida. "Fuck me with that prick."

I wrapped my legs around her waist, so that my pussy hole was open as wide as possible, and Candida thrust into me. I couldn't take the whole length, it was just too much, but I took a good eight inches of that thick plastic prick up me, writhing and straining on it. I felt wonderful, like I was fucking the best hung stud in the world, except that I could feel Candida's naked boobs pressed against my own as she fucked me.

"Talk dirty," she whispered in my ear. "I want to hear some fuck talk."

I felt a bit self conscious saying what I wanted her to do, but Candida urged me on. When I actually opened my mouth, it all sounded quite natural to me too. "Fuck me, Candida," I breathed hoarsely. "Fuck me until I can't speak. Push that dildo right up me - I want to feel it right inside me. I want to feel it on my pussy walls. You can feel that they're really wet and juicy, can't you?

"Now press hard, so that your pussy mound is right against mine. I want to feel your clitty on mine!" My voice tailed off into a kind of high pitched whine, as Candida pushed the whole length of the dildo right inside me and moved her hips back and forward. Our pubes were scraping together, our clits were touching, making them throb even more hotly, and soon our mouths were locked together as we frantically kissed and pawed each other's bodies as we came.

I've never had an orgasm like that one. My whole body

was covered in a trembling that I thought would never end, my head was flung back, and my cunt was so wet I thought I'd slip off the unit. Candida was away in a world of her own, her boobs wobbling with the force of her own climax.

We were both exhausted after that. Candida's knees could barely support her, and my legs flopped down against the unit as I rested my head on her shoulder. It was as I finally opened my eyes that I caught sight of Colin standing in the doorway, a big grin on his face and a huge bulge in his trousers. I also noticed something else - the camera was going, and he'd obviously filmed the whole lot!

I blushed as he grinned, "Looks like I'll have to rewrite a bit of the script to fit that in - that was Oscar stuff!"

It was two months ago that we finished the film, and it's about to be released in America. I'm flying over for the premiere, and guess who my partner is! - *Eleanor, High Wycombe*

Couples Confess

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us.

When I was at college ten years ago I had a pretty wild sex life, and basically I used to sleep with any guy I could. In my first term, which was my first time away from home, I went mad, and just set out to seduce every bloke I set eyes on.

However, in the second year I calmed down a bit, largely because I had to work hard and also because there weren't too many guys that I fancied. When I met Michael though, I fell head over heels in lust.

He was the kind of bloke that all the girls fancied, because of his tall, blond good looks and the cocky way he'd stand in the student coffee bar lazily eyeing every girl who went past. Just about every female in my year was desperate to get her knickers off for Michael, but I was determined to get there first.

You can imagine how pissed off I was then, to discover that he not only had a girlfriend, but lived with her at his flat just a couple of minutes from the college. Unlike most of the students, she was a local girl who worked in the town, and was a couple of years older than he was.

Once I'd got over the disappointment of finding out that Michael was attached, I started plotting how I could snare him.

To my surprise, Michael must have noticed me, because he started to cultivate my friendship. First he'd smile at me in the coffee bar, and then one day he bought me a cup of tea when I was sitting there on my own. From then one we began to meet regularly, and eventually began dating.

Uncharacteristically I didn't go to bed with him right away. Normally I'd have my clothes off in a flash, but I knew that we were both enjoying the chase and so I decided to make him wait for sex. Of course, I gave him some of my special blow-jobs in my bedroom at

the halls of residence, where I sucked his cock right to the back of my throat, drinking down his spunk when it shot out of his prick like an alcoholic having her first drink of the day; and I let him lick out my soaking cunt, grinding my mound into his face and tasting all my cunny juices off his tongue afterwards. But still I waited for the ultimate - when he'd fuck me with that long, stiff prick of his.

Finally, he told me that his girlfriend was planning on going away for a week to stay with her parents. I could hardly contain my lust as he invited me over to his flat for dinner the very night she went; we both knew that food wasn't the only thing on the menu.

I couldn't tell you what he cooked me that night (something Italian, I think), because I hardly noticed what I was eating. All I could think of was getting into the bedroom and tearing off his trousers before stuffing that rock hard cock right up me. My cunt was creaming so much all through dinner that I thought I'd make a wet mark on my chair.

Michael seemed keen to prolong things as much as possible though, eating slowly, opening an extra bottle of wine, savouring every moment of the foreplay. His hand would stroke mine across the table, and in return I rubbed the stockinged sole of my foot up and down his calf. I knew he was a foot man, because he delighted in sucking my toes in bed, watching me squirm as he licked my arches with the very tip of his tongue and massaged the sensitive balls of my feet. As I sat rubbing his calf, I could feel him start to tremble, and I knew he couldn't hold out much longer.

The next minute, he'd picked me up and carried me into the bedroom, putting me gently down on the bed before stripping off his clothes as fast as he could. I couldn't get naked fast enough either, and soon we were rubbing our bare bodies against each other in a frenzy.

"You horny bitch," he whispered to me as his fingers raced down to my soaking snatch and started to frig me. "This is what you've been waiting for, isn't it?"

I grabbed his cock as a reply and started wanking him furiously, ordering him to fuck me that instant. When the moment came and he thrust his hot, purple helmet right into my cunt and steamhammered me for all he was worth, I climaxed right away, and almost screamed the place down.

He was just in the middle of giving me the most satisfying fuck of my life, his arse going up and down in time with this thrusts, my legs almost up around his shoulders, when the flat's front door slammed and his girlfriend appeared in the open bedroom doorway.

What she was doing back there I didn't know, although we later found out that she'd had an argument with her parents, and so had decided to come back to the flat and cancel her week away. But there was no doubt that she was standing right there, in the flesh, a tall, willowy, very angry blonde.

We couldn't stop then, though I knew Michael had heard her and I'd certainly seen her glowering face right in front of me. In his surprise, Michael tried to turn his head in the middle of an outward stroke, but ended up turning his whole body instead - with the result that his cock slipped out of my pussy, leaving my legs splayed unflatteringly and my wet pussy gaping. And he couldn't hold back. The next minute, he's sprayed his entire creamy load all over my damp pubes.

It was as if someone had stopped a video. All of us froze; the only thing moving was Michael's cock, as it drooped limper and limper after shooting its load. Then Hayley, his girlfriend, started speaking, not shouting, just speaking in a very low, stern voice.

"So this is what you get up to as soon as my back's turned," she said, walking towards the bed. "I thought as much. Mind you," she added, turning to me, "I must say I admire your taste. But then, you always did like them small and dark, didn't you?" I was beginning to feel distinctly out of my depth here; there were undercurrents going back and forth which I definitely didn't understand.

The next thing I knew, Hayley had sat on the bed right next to me, bent her head, and started to slowly and tantalizingly lick Michael's spunk from my cunt.

I don't know who was more surprised, Michael, who had sat back on his heels on the bed, his long cock stiffening again as he watched his girlfriend lick me out, or me, feeling a woman's tongue in my cunt for the first time ever - and loving it. All I registered at the time was that Hayley was an expert tonguer, and had obviously done this before.

Though not, by the look on his face, in front of Michael.

By now Hayley was lying right on the bed, her hand down underneath her body obviously frigging her clitty as she licked at my cunt, her eyes screwed tight shut. I couldn't help myself, and let out a couple of small moans of pleasure as Hayley's tongue snaked up me further and faster with each stroke, her nose buried right into my muff, her hips bucking as she frigged herself off.

Meanwhile, Michael was sitting dumbstruck on the end of the bed, his enormous erection bobbing against his navel and looking oddly inappropriate as he stared in shock at what was happening between both his girlfriends in his own bedroom.

I couldn't stop myself from coming. Hayley's tonguing was just too good. I raised my hips right off the bed and almost yelled my lungs out as Hayley stuck her tongue right up me in one deft stroke, and then played my clitty along the end of it as she withdrew. I don't know how many orgasms I had then, but it felt as if they lasted forever. All I could register were the exquisite sensations racking my body.

When Hayley finally pulled her face away from my cunt, it was coated in my love juices. Her mouth was parted in an ecstatic expression, but she was determined that things weren't going to finish there.

She fixed Michael with a steely glare. "Now let's see you finish what you were doing when I came in," she demanded. "Let's see you fuck her."

As if in a dream, Michael obeyed. He was so hard that he'd have shot his load soon enough anyway, and he approached my still spread legs and pushed his cock up my slippery, hot cunt in one smooth movement all the way up my sticky tunnel. The penetration made me yell out again, and I reached down and played with my sensitive clitty as Michael powered into me.

After only a couple of strokes he was shooting his load, his cock twitching inside me as I gripped his buttocks to hold his cock inside me as long as possible. My climax was so huge then that I almost sat up on the bed, grinding and pummelling my mound against Michael's pubes, before we both collapsed on to the bed in a sweaty, come-soaked heap.

Sanity soon returned, however, and all three of us sat red faced, not daring to look at each other for the next few minutes, as we came to terms with the enormity of what we'd done. Finally, I decided that Hayley

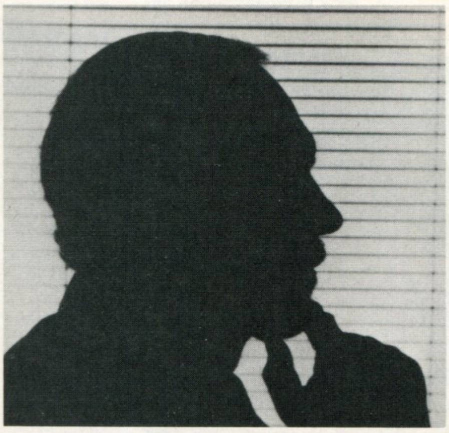
Everything you thought you knew about sex is no longer true.

What a sexologist does in bed

(25 hints about sex in a book that will change your sex life)

- If you are a woman, this book will help you hold on (and really hold on) to your man.
- If you are a man, you will discover techniques which will help you to become a much sought-after sexual partner.

1. How to stimulate sexual desire in a woman — without her knowing it.
2. Two little-known techniques for accelerating the female orgasm.
3. How any woman can now *easily* learn to use her "magic muscles" — and so greatly increase her partner's pleasure.
4. How to increase your partner's appetite for sex.
5. What women really look for in sex.
6. The total orgasm consists of three phases: how to trigger them.
7. How to prolong the duration of the climax (itself worth the price of the book).
8. The trick used by Japanese women to make fellatio irresistible.
9. A simple technique that ensures "performance" and so avoids failure if intercourse worries you (even if you have already had problems before).
10. What women like to have done to them first.
11. A fantastic method of sexually captivating a man.
12. A tried and tested method of avoiding premature ejaculation.
13. An erotic caress that instantly triggers sexual desire (derived from sensual massage techniques).
14. A new and exciting way (kept secret until now) of increasing your sexual performance.
15. A very special (and irresistible) caress known to very few women.
16. A simple and absolutely certain way of finding the G spot (the Grafenberg orgasm).



CONFESSIONS OF A SEXOLOGIST

(and the reason why he wishes to remain anonymous)

17. A new and easier way of prolonging intercourse as much as you want.
18. What a sexologist does when a partner is unable to climax (or the secret weapon for making a woman orgasm *every time*).
19. How to avoid a mistake that the vast majority of men make during their first sexual experience.
20. What causes sexual desire, and how to make it happen (comparative reactions of a woman and a man).
21. The favourite sexual fantasy of most men.
22. The recipe for an aphrodisiac that really works every time (and how to prepare it yourself).
23. How to have more powerful erections.
24. A little-known technique for appreciably increasing sexual pleasure.
25. An apparently innocent caress that excites most women.

How sexual awareness can change YOUR love life

Here, perhaps for the first time, is a book that tells you (and explains in the minutest detail) exactly what to do — and how to do it.

In a moment I will reveal the amazing reason why the famous sexologist who wrote this book wishes to remain anonymous. But first of all let me tell you how this book can totally transform your love life.

First of all, you need to understand *thoroughly* the sexual needs of your partner, and to satisfy them beyond what he (or she) has experienced up until now.

The book teaches you how to maximise desire, how to trigger excitement that borders on wildness, and then how to satisfy that desire, totally and utterly.

You will learn how to take your sexual partner to the peak of sexual pleasure. Although this book is aimed primarily at men, there is as much (or more) for women to learn. It is also a book that makes an excellent gift — especially if you want the techniques it contains to be used on you.

But there is more — much more. For example, this book also answers most, if not all, the embarrassing questions that you would like (but would probably never dare) to ask a sexologist.

All problems linked to sexuality are dealt with frankly, freely and totally accurately in simple language that everyone can understand: sexual practices previously considered perverse, impotence, homosexuality, sexual incompatibility, contraception, frigidity, sexual diseases, vitamins, hormonal creams and lotions, orgasms, inhibitions, masturbation, prostitution, and more.

Whatever problem you are interested in, you can be sure it is covered in a practical and in-depth manner. And as you will see, the replies are sometimes quite surprising.

You have perhaps guessed that the reason why the remarkable sexologist who wrote this book wishes to remain anonymous (and uses the pseudonym AIRGI) is because he has made certain revelations in the book and proposes sexual techniques that some fellow sexologists might resent.

To the best of my knowledge, no book has dealt before in the same detail, nor with as much experience, everything relating to sexual pleasure, techniques and desires. Nothing attracts the opposite sex more than a sexual virtuoso — now this book can help you become one, too.

Exclusive sale of explicit sex

FOR YOUR EYES ONLY

PRIVATE LINES, 627 Forest Road, Walthamstow, London E17 4NE

BEST BUY EVER

Our Video Buyer, a randy and excitable sole, rated this video the rudest, crudest video ever, though a little more expensive than most, he considers it to be too good to miss and great value for money.

LADIES DOCTOR

It's all about a young gynaecologist and his young nurse Pamela and their unusual way of examining their patients. It's very interesting and very unusual and, just like our Video Buyer, it's randy and exciting.

City Trading Limited Reg. No: 2174586

continued from page 67

and Michael had a lot of talking to do, so I went off to the bathroom to clean myself up as best I could. Spunk dribbled down my naked thighs as I padded out of the room.

Despite the fact that I had the water on, I could still hear them both talking as I washed and tried to repair my hair. Hayley was telling Michael that, although she'd always found his fucking quite satisfactory, she'd always been bi, and before she'd met him she'd had a number of girlfriends. He'd clearly known nothing about it, as I could hear the shock in his voice - but I could also hear something else. The idea of his girlfriend screwing women made him horny as hell!

Now she asked him what he'd been doing with me. I unashamedly had my ear to the keyhole at this point, hanging on to their every word.

Michael was telling her that, although he really thought a lot of Hayley, one woman just wasn't enough for him right now, and he needed to experiment with others. It was just something inside him, he said, and he couldn't help himself.

"Right then," Hayley said firmly. "We'll have to do something about this situation." After that, I couldn't hear any more as they were obviously whispering, so I carried on tidying myself up.

I stared at my face in the mirror, and was surprised to see that I looked quite normal - in fact, totally unlike a woman who'd had her cunt licked out by her lover's girlfriend! A frisson of excitement swept over me just thinking about it, and I had to take several deep breaths before walking back into the bedroom on shaky legs.

Instead of being furious as I'd expected (after all, I had fucked her boyfriend), Hayley looked positively friendly as I hesitated in the doorway. Michael just grinned at me as I came in, and then jauntily left to go into the bathroom. I suddenly wondered what they'd been discussing in those whispers.

I sat down on the bed, took a deep breath and looked straight at Hayley. I was very surprised when she smiled back, and moved up next to me to put an arm around me.

"Don't worry," she smiled. "Michael and I aren't going to fight or anything." And with that she bent down and kissed me really hard, pressing my lips back against my teeth and pushing her tongue right into my mouth.

The next minute we were both lying on the bed, Hayley on top of me, our legs entwined. All thoughts of Michael went right out of my head as Hayley fondled my bare boobs, and I gripped her hair as I kissed her back as hard as she'd kissed me.

"Eat me," she whispered. I didn't register that at first, I was so intent on the way she was nibbling my nipples as we writhed on the bed, but when she said it louder, and rolled over on the bed so that I was on top of her, I had to take notice.

Without thinking, I knelt on all fours and kissed my way down Hayley's flat, brown stomach. I could smell her love juices as she spread her thighs for me, her love petals glistening with moisture and dark pink with arousal.

"Eat my cunt," she whispered. Naturally I felt a bit apprehensive, as this was my first attempt at cunnilingus, but I soon got the hang of things, lightly stroking Hayley's clit with the tip of my tongue, running it down the length of her slit slowly and sensuously, before jamming it right inside her and feeling her sticky cunt walls hug it tight.

"More!" she groaned as I tongued faster and faster, and ground her mound against my mouth frenziedly. I went as fast as I could, my hand working away at my clitty at the same time, my eyes tightly shut, relishing the sweet taste of another girl's cunt. As Hayley shouted that she was cumming, and rubbed her cunt all over my face in her haste to come, I felt something warm and sticky splashing on my back. My fingers in my cunt, I climaxed too, before collapsing on top of Hayley.

When I opened my eyes and turned around, I could see Michael standing over the bed, his limpening prick still in his hand. He'd shot his load over my shoulders and Hayley's face, the sight of us together had turned him on so much.

You might like to know that after that night, I moved in with Hayley and Michael for the rest of my time at college. For three years we all shared the same bed, and we never tired of inventing endless games to please and satisfy each other. However, seven years ago Hayley left to move in with her lesbian lover, the upshot of which was that I married Michael! - *Heather, Shefffield* ♣

meryl

Photographs by Harry Linden

For an Oscar-winning performance, we'd like to nominate Meryl, a barmaid from Newcastle. Her double features have been playing to packed public houses on the Tyne for the last three years, since she made her debut behind the bar at 18. "I've enjoyed pulling a pint since I was a teenager. The secret of success round here is to make sure the guys all get some head," she giggled.

Like her namesake, Meryl takes her role seriously. "Guys like a bit of flirting," she says, "and you have to have a degree in innuendo. But I think I can handle the part."

When she's not pumping something frothy, Meryl likes turning them on down at her local disco. "Once when I told a guy my name he grabbed hold of my boobs and cried, 'Now I can say I've held a famous film star's tits!' I said, 'Who do you think you are, Best Supporting Actor?'" The wit of Sid James and the body a young Barbara Windsor: what more could you ask? ♣

rOXANNE

If you meet 20-year-old Roxanne in Bromley, Kent, and she tells you her name, do her a favour - don't sing!

"Every time a guy chats me up, he will insist on screeching a few bars of 'Roxanne' by The Police," she complains, "usually with a terrible Sting impression!"

Roxy's other pet hate is shy men. "I can't stand guys who

waffle on, trying to be clever or witty. If a bloke wants to shag me, why doesn't he just say so? Who knows, I may want to as well!

"Women should take the lead now and again. Sod waiting for guys to ask you to dance. Get up and grab 'em, that's what I say!"

enjoyed reading them before.

My response took her by surprise; I challenged her to out pose the models in Club. She amazed me by agreeing, and we sat down to look at the magazine. I told her finally that I found Carla the most provocative and sexy.

"Go on, Jenny," I pleaded. "Let me see you posing like that." Rising to the challenge, Jenny declared that she could pose even more provocatively.

I turned to Carla's pictures and Jenny began stripping off. I watched excitedly as she dropped her skirt, pulled open her blouse and began massaging her tits. Then Jenny began to peel off her knickers. When they were way down around her ankles, she leaned forward and presented me with a terrific view of her legs and bum.

"Nice, eh?" she asked as she wiggled her naked buttocks.

Jenny stepped out of her panties and stood posing for a moment before sinking into a chair and opening her legs with a sexy grin. She stroked a finger over the lips of her pussy for a few seconds, her eyes fixed on my growing hard-on.

"Take your pants off," she told me. "I want to see your cock."

I whipped off my pants and stood there, my prick rigid with excitement.

She slid off the chair and onto the floor, spreading her legs wide and sliding her finger back inside her cunt. Again she started to wank herself.

I glanced back at the photos of Carla. "Up on the table, Jenny," I said. "Flat on your back, please."

She climbed up onto the table and lay back, one leg drawn up to give me a clear view of her cunt. She then began to cup and knead her nipples.

As she stroked her tits, I gently rubbed my cock.

"Jenny, I'm almost coming," I yelled. "Please get on your hands and knees on the carpet."

Jenny slid down in front of me, her legs spread, ready for my stiff prick.

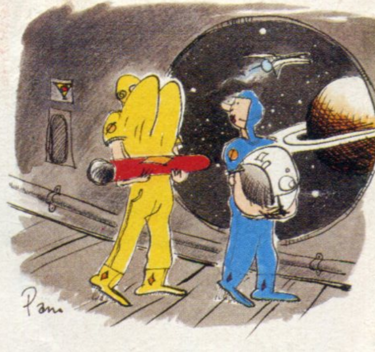
Taking my cock in hand, I guided it to the lips of her cunt, pushing the knob end in.

"Shove it in hard," Jenny cried.

I pushed my cock in as far as it would go. She thrust her hips backwards, jamming herself on my pounding prick as I rammed in and out. I could feel my orgasm coming, so I reached out and squeezed her tits.

We both started moaning and groaning, then came together as I shuddered with the force of my hot spunk shooting into her writhing body.

Afterwards, Jenny asked me if she was as sexy as Carla now. I told her she was even better - but now we get the best of both worlds every month. I buy Club to ogle all the gorgeous girls, then Jenny reads it too and acts out their poses. Either way I can't lose! - *Michael, Poplar* ♣



No one ever tells you how space fucks up your tits!

POETRY CORNER

We've had some bollocks in this section just lately, but we really think this one's pretty hard to beat. The ode arrived in our office addressed to our old Club Girl Andrea Clarke, but we think so much of her that we didn't bother passing it on...

Oh, what a woman white to soften meat lightning from fat, not big, belly;
And her parts breast smooth like silken,
Like her by white and to clarify like by an egg ostrich not touch hand.
She is drink from fresh water go along in the body, yet pure,
If she see hers looking by eyes as eyes deer;
Her neck-like neck deer white pure colour, if she raise her neck appear to sweet prettiness.
Hair abundant yellow, decorating her head as branches palm tree fastener decorating up;
Her waist thin as if belt from skin the braid confirm her waist,
And her legs thin like branches hemp.

Definitely a winner in the Nobel Surreal Poetry stakes, Hani of Jordan in the Middle East says that he was inspired to write this "from skewer seeing me to you in photo". Quite. ♣

FINAL SCORE

Twenty dead cert means of contraception as brought to you by our so called sex expert **Dr Anton Liar** (F.I.B.E.R.).

1. Italian food: Stuff your face with fettucine and sex becomes pasta joke.

2. Kebabs: There's nothing like blasting off the chilli sauce to spoil that magic romantic moment.

3. Mexican meals: If she's been eating tacos, kissing her will be like sticking your tongue in the gas fire.

4. Lager: Guaranteed to reach the private parts other drinks cannot reach. Probably the biggest let-down in the world.

5. Orthopaedic mattresses: So hard that leaping on top of her will shatter your knee caps.

6. Nylon sheets: So slippery, leaping on top of her will find you splattered against the wall.

7. Bad flat conversions: If you can hear Mrs Bagg wheezing in the next bedsit, imagine what she can hear...

8. Posh hotel rooms: Knock, knock - "Your breakfast, sir!" Knock-knock - "Your newspaper, sir!" Knock-knock - "Can I clean your room, sir?" Knock-knock - "Customers are asked to vacate the room by 9.30, thank you." Arrrghhh!

9. Cheap seaside hotel rooms: How come that icy cold draught from the window always hits you right in the tackle?

10. Tight trousers: By the time you've peeled them off and massaged your willy back from being a pork pancake, forget it.

11. Tight nylon underwear: No girl likes squishy, over-ripe plums.

12. Bedside telephones: "No, I'd better answer it darling, it might be important! Oh, hello, Mum!"

13. Showers: However quick a pre-coital shower is, you can always guarantee that the hot water will run out just before the end, shrivelling your nadgers.

14. Laughter: "Honestly, my darling, the hot water ran out. I'll be all right in a minute."

15. Match of the Day: If your girl is feeling horny, you can guarantee the game will go to extra time.

16. Jackie Collins novels: If she's got one of those on her bedside table, go home. You can't compete with a fictional superstud.

17. Baby talk: "Don't you think having a little one would help cement our relationship?" Our survey says, Err-errrr!

18. DIY talk: "You know, John, you still haven't dealt with that damp patch on the ceiling."

19. Honey: What *Nine And A Half Weeks* fails to mention is that it takes nine and a half hours to get the bloody stuff off the sheets.

20. "No!" : Still the world's only 100% effective oral contraceptive. ♣
